Acknowledgement

I wish to thank

Dr. B.S. Madhava Rao, Lecturer, Department of Chemistry, University of Poona, for suggesting the problem, constant encouragement and guidance during the course of the investigation

Professor H.J. Arnikar, Ph.D., D.Sc. (State Paris) for reading the manuscript and giving valuable suggestions

Professor V.K. Phansalkar, Head, Chemistry Department, University of Poona, for providing laboratory facilities and Dr. S.F. Patil for his timely help

All my colleagues in the laboratory for their kind cooperation

Staff of the Biochemistry Division, National Chemical Laboratory, Pune, for their help in the preparation of mixed crystals and Mr. Roy Beddoes for X-ray analysis

My husband, Dr. A.K. Bhoite, for his constant encouragement and whole-hearted support during the writing
of the thesis

Miss L.W. Pavangadkar for her excellent typing
and finally

University Grants Commission, New Delhi, for
financial support.

Department of Chemistry
University of Poona
Pune - 411 007.
