

ACKNOWLEDGEMENT

Apart from the efforts of me, the success of any project depends largely on the encouragement and guidelines of many others. I take this opportunity to express my gratitude to the people who have been instrumental in the successful completion of this project.

I dedicated my grateful thanks to our one and only honored Guide Late Prof. **Dr. M. Peter Marian**, Founder and Former Prof & Head, Centre for Marine Science and Technology, for his supervision, advice, and guidance from the very early stage of this research. His truly scientist intuition has made him as a constant oasis of ideas and passions in science. He enlightened me the first glance of research. He had much concern on me while he was alive. I am proud to record that I had several opportunities to work with an exceptionally experienced scientist like him.

I express my deepest gratitude to **Dr. S. Mary Josephine Punitha**, Assistant Professor, Centre for Marine Science and Technology, for her guidance, kind words, perseverance, patience and cheerful encouragement throughout my work.

With deep of gratitude I express my whole hearted thanks to my Guru **Dr. M. Michael Babu**, Assistant Professor, Centre for Marine Science and Technology, for his effective guidance, sincere efforts in going through the manuscripts, continued support, constant encouragement, valuable comments, suggestions, many innovator ideas and crucial contribution, which made him a backbone of this research. I could not have imagined having a better advisor and mentor for my study.

This research project would not have been possible without the support of **Dr. T. Selvaraj**, Scientist DST, C.M.S.T., M.S.U., who was abundantly helpful and offered invaluable assistance, support and guidance without whose knowledge and assistance this study would not have been successful. He provided me unflinching encouragement and support in various ways.

I express my deep sense of thankfulness to **Dr. S. G. Prakash Vincent**, Associate Professor C.M.S.T., M.S.U., for his constructive comments and valuable advice. His wisdom, knowledge and commitment to the highest standards inspired and motivated me.

I would like to show my gratitude to **Dr. T. Citarasu**, Assistant Professor C.M.S.T., M.S.U., for his patience, motivation, enthusiasm, and immense knowledge helped me in all the time of research and writing of this thesis.

I owe my deepest gratitude to **Mr. S. Eben Monic**, Group leader, Redegg Infosys, Ngl., his valuable advice and friendly help, kind support, encouragement gave me untiring help during my difficult moments.

I would like to thank **Dr. Aldous J. Huxley**, Assistant Professor, Thiru.Vi.Ka.Arts College, for his timely help and valuable advice in the publication of my research manuscript.

I wish to express my sincere gratitude to **Dr. G. Immanueal**, Assistant Professor C.M.S.T., M.S.U., for his encouragement, patience, and motivation. I remember the days we spent in CIFT Cochin, Summer School program.

I am extremely grateful to **Mr. S. Iruthaya Selvin Jerald**, Digital Computers, Ngl. for all his advice, encouragement, support, friendly smile and his care and love.

I would like to thank **Dr. M. Thankaraj**, Assistant Professor, CAS in Marine Biology, Annamalai University, for his valuable advice in science discussion and constructive comments on this thesis.

I wish to avail myself of this opportunity, express a sense of gratitude and love to my friend, Brother **Mr. G. R. Learnal Sudhakar**, Scientist, Expression Biotech, Marthandam, for his encouragements and personal guidance have been very helpful for this study.

I am grateful to **Mr. R. Raja Jeya Sekar**, Assistant Professor, S.T. Hindu College, Department of Zoology, for his friendship, encouragement, insightful comments, care and affection.

I am very thankful to **Dr. S. Satheesh**, for all his help in statistical analysis of data on several occasions with cheerful face.

I am indebted to **Dr. V. Sivaram** who introduced me to my former guide, whose address gave me important guidance during my first steps into research. His ideals and concepts have had a remarkable influence on my research career.

I like to thank **Mr. R. Manoharan** for providing room facility for the time of the writing. His encouragement and acquaintance has given more strength to the time of writing.

I wish to thank Ph.D. Research scholars **Mr. R. Rajesh Kannan**, **Mr. S. Vaelmurugan**, and **Miss. J. Adlin Jenifer** Centre for Marine Science and Technology, Manonmaniam Sundaranar University, Rajakkamangalam, for their technical support and encouragement during the time of writing.

I express my sincere gratitude is hereby extended to my **Mom J. Lissy Rose** for giving money, to buy anything that are related to this project work and her advise, which is the most needed for this project. Internet, books, computer and all that as my source to complete this project successfully. She also supported me and encouraged me to complete this task so that I will not procrastinate in doing it.

My gratitude also goes to all those who, formally and informally gave me the benefit of their knowledge, views and experience. I am also indebted to all of our friends for their moral support and encouragement during the preparation of this thesis.

Lastly, I offer my regards and blessings to all of those who supported me in any respect during the completion of the project

S. ALBIN DHAS
