

## LIST OF TABLES

No.	Title	Page No.
1.	Sample population	
2	Gender wise distribution of students	
3.	Course wise distribution of students	
4.	Type of Management	
5.	Type of Management of the college based upon location	
6.	Type of Management of the college-Course wise	
7.	Location of the college	
8.	Location of the college- Course wise	
9.	Financial Nature of the college	97
10.	Financial Nature of the college-Course wise	98
11.	Students from NAAC Accredited colleges-Type of Management	99
12	Frequency of visit of the library -Gender wise	100
13.	Frequency of visit of the library-ANOVA Test	101
14	Frequency of visit of the library –Course wise	102
15	Frequency of visit of the library-ANOVA Test	103
16	Average Time spent in the college library- Course wise	103
17	Average Time spent in the library- ANOVA Test	
18	Average Time spent in the college library-Gender wise	105
19	Average Time spent in the library-Gender- ANOVA Test	
20	Availability of Internet facility in the college library-Gender wise	106
21	Availability of Internet facility in the college library-Course wise	107
22	Visiting of Internet Café in the absence of Internet	109
23	Purpose of Using Internet	
24	Purpose of Using Internet-Gender wise	110
25	Purpose of Using Internet-Course wise	111
26	Accessibility of Internet Information-Gender wise	112
27	Accuracy of Internet Information-Course wise	113
28	Authoritative nature of Internet information-Course wise	114
29	Consistency of Internet Information-Course wise	115
30	Ease of use of Internet information-Course wise	116

31	Difficulty faced while accessing the internet-Course wise	117
32	Difficulty in opening the WebPages-Course wise	118
33	Difficulties faced while browsing-Course wise	119
34	Difficulties faced while downloading-Course wise	120
35	Out dated or backup information-Course wise	121
36	Favourite Search Engines-Gender wise	
37	Favourite search engines- Course wise	122
38	Ranking for project works as a purpose of using Internet-Course wise	124
39	Ranking for preparation of study materials as a purpose of using Internet-Course wise	125
40	Ranking for preparation of writing article as a purpose of using internet-Course wise	126
41	Ranking for preparation of seminar paper as a purpose of using Internet-Course wise	127
42	Ranking for the updating knowledge as a purpose of using internet-Course wise	128
43	Most used library and information services on the web-Course wise	129
44	Availed help from the library-gender wise	130
45	Visit of college library website by the students-Course wise	131
46	Availability of independent college library website- Course wise	132
47	Opinion about the college library website –Course wise	134
48	Supporting of EIRS to the academic activist of the students–Gender wise	136
49	Supporting of EIRS to the academic activist of the students -Course wise	137
50	Opinion of students about the college library service-Gender wise	138
51	Opinion of students about the college library service-Course wise	138
52	Opinion regarding the electronic journals available in the college library	139
53	Opinion regarding online databases availed through the library-Course wise	
54	Opinion regarding CD-ROM based databases available in the college library	142
55	Opinion regarding e-books available in the library	

56	E-Sources influencing reading habits-Course wise	145
57	E-Sources influencing reading habits-Gender wise	146
58	Satisfaction of respondents while using e-Courses	
59	Preferred source of information –Course wise	148
60	Preferred source of information –Gender wise	148
61	Usage of e-books in comparison with conventional books	
62	Pre-requisite of access to e-resources needed for information satisfaction-Course wise	151
63	Role of E-resources- Gender wise	152
64	Role of E-resources- Course wise	153
65	Effect of e-resources on reading habits	154
66	Effect of e-resources on reading habits-Course wise	155
67	Important of e-resources in academic activities	156
68	Important of e-resources in academic activities-Course wise	156
69	Improvement of academic activity due to e-resources-Gender wise	157
70	Improvement of academic activity due to e-resources-Course wise	158
71	Reason for opting e-resources-Gender wise	160
72	Reason for opting e-resources-Course wise	161
73	E-resources based curriculum-Gender wise	162
74	E-resource based curriculum-Course wise	
75	Places of accessing of e-journal-gender wise	164
76	Places of accessing of e-journal-Course wise	165
77	Satisfaction over the e-journal collection-Gender wise	166
78	Satisfaction over the e-journal collection- Course wise	167
79	Availability of Infonet e-journal facility	168
80	Satisfaction of students over the number of computer	169
81	Satisfaction of students over the printing and scanning facility	170
82	Satisfaction of students over the CD-Writing facility	170
