

ACKNOWLEDGEMENTS

My profound sense of gratitude is due to Dr. (Mrs.) Philomena Kuriachan., Reader, Department of Botany, University of Kerala, and to Prof. Dr. C.A. Ninan., Professor & Head (Retd.), Department of Botany, University of Kerala, my Supervising Teachers, for the valuable guidance and advice during the course of this study.

I am extremely grateful to Prof. Dr. Susan Abraham., Professor & Head, Department of Botany, University of Kerala for the facilities accorded for carrying out this work.

My sincere thanks are due to Prof. P.M. Mathew., Professor & Head (Retd.), Department of Botany, University of Kerala and to Dr. P.K.K. Nair., Emeritus Scientist and Director, Environmental Resources and Research Centre, Trivandrum, for their help in perfecting the palynological section.

I am obliged to Prof. Dr. P.I. Kuriachan., Professor, Department of Botany for his valuable suggestions during the course of my work.

I am thankful to Mr. T.L. John., Artist Photographer, Department of Botany, for his assistance in the preparation of photographic plates and to the Library staff for their utmost co-operation.

I wish to thank my colleagues in the Department Laboratory for their encouragement and help.

The help rendered by Dr. G. Kulanthaivelu., Professor, Department of Plant Sciences, Madurai Kamaraj University in the preparation of SEM photographs and the authorities of the Botanical Survey of India, Coimbatore, in the verification of species identification of plants used in this study are gratefully acknowledged.

I am thankful to the University of Kerala for the award of a Research Fellowship during the period of this investigation.

Special thanks are due to Mr. G. Ramachandran Nair., for typing the manuscript.

I am also thankful to M/s. Veeralekshmana Computers, Trivandrum for word processing and typing the thesis.

Suhara Beevy. S.
