Acknowledgement

First and foremost, I wish to take this privilege to place on record in a very special and distinctive manner, an expression of deep sense of gratitude and indebtedness to my research guide, Hon. Dr. U. B. Chanshetti, Asso. Professor Dept. of Chemistry, Arts, Science and Commerce, College, Naldurg. For his ever inspiring guidance, constant encouragement, stimulation discussion, novel ideas, friendly support and simplicity has enabled me to complete this work. I am thus highly obliged by his kind support and Nobel virtues, which will be always cherished by me.

I am extremely grateful to Dr. M. S. Jogad, Ex. Principle, S. B. Science College, Gulbarga (Karnataka), and Dr. T. K. Chondhekar, Professor, Dept. of Chemistry, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, for suggesting research problems and valuable guidance, stimulation discussion, support and immeasurable help in writing the manuscripts right from the very conception of this work till its completion.

I gratefully acknowledge the help of Dr. B. B. kale, C-MET, Pune, Dr. G. P. Kothiyal, BARC, Mumbai, Dr. P. P. Wadgaonkar, NCL, Pune, Dr. G. K. Bichile, Ex. Head, Dept. of Physics, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, Dr. V. D. Mote, Asst. Prof. Dept of Physics, Dayanand Science College, Latur, and Mr. S. S. Bhojgude, research fellow, NCL, Pune, for carrying out different experiments and valuable discussion during the course of the work.

I take an opportunity to express my sincere gratitude to Dr. S. K. Akuskar, Principal, S.M.P.College, Murum, for the valuable guidance and providing the necessary facilities for the research work. In the course of
research activity the atmosphere in laboratory was livid, friendly and co-operative, for this I thank to Dr.A.W.Suryawanshi, Asst Prof. S. M. P. College, Murum.

My progress in the academic career has been mainly possible due to the Hon. Narendraji Borgaonkar Ex. MLC and Secretary, Balaghat Education Society, Naldurg, for a long span of time he has always been supportive and a source of encouragement and my respected Uncle Shri Rajhans Patil and Mrs. Sunita Rajhans Patil, who always inspiring me to do better thing. I humbly acknowledge their love and trust in me and thus express my sincere gratitude to them.

I express my sincere thanks to, Dr. S. D. Peshwe, Principal Arts, Science and Commerce, College, Naldurg. Mr. Y. P. Sarnikar, Head, Dept. of Chemistry, Dayanand Science College, Latur, Dr. S. M Patange, S. K. Mahavidyalaya, Gunjoti, Prof. Y. V. Suryawanshi, Dr. S. S. Shinde, Prof. R. K. Dhokale, Dr. A. T. Kadam, Prof. P. S. Bhale, Prof. S. D. Ghodke, Mr. M. G. Chandele, Mr. B. S. Shinde, Mr. Bhaginath Bansod, Mr. Umesh Sarje, for their kind co-operation, encouragement, support and help in various stages of the thesis work.

I am also grateful to Mrs. Sangita U. Chanshetti, who have been kind courteous and ever helpful in different ways.

Before I end up due consideration needs to be given the family. I am very much indebted to my father Prof. Limbraj Abajirao Patil and my mother Mrs. Suchitra L. Patil for being a very great source of inspiration, blessings and for being a constant source of encouragement throughout my research. I am very much grateful to my brother Amol and sisters Mrs. Rushali Suresh Jeve and Mrs. Vaishali Jayprakash Birajdar, who gave moral support and encouragement to complete this research.
I express my special thanks and appreciation to my wife Sonali for her understanding and continuous support throughout this research work.

Last but not the least I also thankful to all my teachers, relatives and friends whose trust, love and admiration has made it possible for me to progress in my career.

Finally, I would like to thank everybody who was important to the successful realization of thesis, as well as expressing my apology that I could not mention personally one by one.

Amit Limbraj Patil
Research Fellow
