The readiness with which the peasants of Gujarat and Karnatck plunged into the national fight, three years back, the unquuestioning loyalty to the Congress is evinced by the fact that during the period of their toil and trouble, they showed an indomitable spirit and never complained. The 만들어진 위로를, 이것은 그들의 피로와 아픔, 그리고 그들의 정신이며, 그들은 그들의 도전을 never complained.

The DUTY OF AHMEDABAD

The determined action of Ahmedabad in the face of the enemy. The protest by the local people against the recent happenings in Ahmedabad should be seen as a demonstration of the solidarity with the peasants of Gujarat and Karnatck. The Ahmedabad people showed a firm stand against the enemy and their resolve should be admired. The Ahmedabad people should be commended for their courage and determination.

The FATE OF KARNATCK

The peasants of Karnatck are facing a difficult situation. The recent actions by the enemy have affected their lives and livelihood. The Ahmedabad people should support the peasants of Karnatck and stand by them in their hour of need.

Dr. Haridikar sent a telegram from Bombay stating that owing to previous engagement with a Jatha in Belgaum he was unable to attend the meeting. Mr. Narayanrao Joshi of Belgaum was named to the chair. The principal question which occupied the attention of the meeting was the question of giving relief to the farmers of Karwar who lost their all in the last C.D. Movement. After a good deal of discussion the following resolutions were passed:

2. NO-TAX FARMERS.

This Council is of opinion that it is necessary to make the best possible appeal to stimulate the farmers of Karwar whose lands and also in some cases houses have been forfeited, and the Council hereby calls upon all the District Congress Committees and subordinate bodies to immediately organise collections for these farmers of Karwar.

The Council appoints a Committee of the following persons to take all necessary steps for collections and relief:

FOR ELECTIONS.

B. that they should consider the co-opted members while selecting Assembly candidates for the following constituencies:

1. Ceded districts and Chittoor;
2. South Kanara and North Mahabhar.

(3) This Council accepts all the resolutions passed by the A. I. C. C. at Patna and the Working Committee in its meeting at Wardha and Bombay and requests all the District Congress Committees in the province to adopt immediate measures to work them out.

To,

The Commissioner of Excise,
Bombay.

The most humble petition of
Ambrose Gonsalves,
Licensee of Country Liquor and Toddy shop
Honavar Kasha.

30th March 1931.

Respected Sir,

It has probably come to your notice that very vigorous picketing is going on since the 15th of this month in front of my shops by Satyagrahas. They come to the shops at daybreak and wait there till late hours at night. For this purpose they light themselves by Petromax and Kistin lights. This action on their part has very seriously affected my sales. Especially the toddy shop shows no sales at all and the toddy which converts itself in a very short space of time and thus renders it useless for all purposes is to me a losing concern. I am therefore at a loss to know what I should do in the matter.

This has affected Government revenue also as there will be no purchases from me for the shops from the Government Bonded Warehouse at Honara.

The facts that the Government are losing some amount on account of absence of purchases and also the fact that I am heavily losing on account of absence of sales as a result of very vigorous picketing was brought by me to the notice of the Mamlatdar of Honavar. But no way could be found through which to avoid the picketing etc.

I therefore earnestly pray that I may be advised in the matter. I also pray that some remission be given to me out of the amount bid an instalment of which I shall have very shortly to pay.

For which act of kindness I pray.

I remain, etc.,

Sd/- A. GONSALVES.
