“Like newborn babies, crave pure spiritual milk,
so that by it you may grow up in your salvation,”

1 Peter 2:2

Acknowledgement

Above all I obligate myself to thank “Almighty God, Lord Jesus Christ” for His Blessing, Mercy and Guidance and thus enabling me to accomplish this research.

No human afford could climb the ladder without being given right support, I would like to thank numerous people and Institutions for the support; I have received from them during my Ph.D and write up this Dissertation.

I take a privilege in conveying my heartiest gratitude to my supervisor Prof. (Dr.) JOHN DAVID, Professor, Department of Dairy Technology, SHIATS, Allahabad, for his caring, bearing with stringent note, patient and reiterating check, noble guidance, innovative ideas, valuable suggestions, unending inspirations, enduring patience coupled with amicable nature and affectionate touch during the entire research work. He has been blessing and pillars of strength to complete this work. My fortune may not give anything more but has given me the opportunity to work under this committed Scientist and human being.

With respect I wish to express my heartfelt thanks to my incomparable Former Co-Advisor Prof. (Dr.) RAMESH CHANDRA, DEAN, of Warner School of Food & Dairy Technology, SHIATS, Allahabad, for his careful planning, judicious guidance, favor, prayer and blessings. and untiring efforts that helped me in completing my Thesis. It has been a great experience to work under him.

I would like to express my sincere thanks to Prof. (Dr.) Pramod .W.Ramteke Head, Department of Biological Sciences, SHIATS, Allahabad, for his caring, sympathetic approach, encouragement and valuable suggestions regarding my thesis work. He has not only been a fathomless ocean of knowledge and wisdom to me but
most of all, hand of blessing has been my pillars of strength and courage to complete this work.

I express my deep sense of gratitude to Dr. Christopher Founder & Principal & Department of Dairy Technology, S.V Arts & Science College ,and Prof. (Dr.) Kotilinga Reddy Tirupati, with out there encouragement favor i am not in Dairy Technology field . for his valuable suggestions and generous help during planning my career in Dairy Technology.

I am very much grateful to Prof. (Dr) P.J. George, Chaplain , and (Dr) Samuel Richmond Asst. Chaplain, for their continuous help, concern and encouragement throughout my education in SHIATS.

I am profoundly grateful to my Research Advisory committee Members, Dr. Sangeeta Shukla, Er. Avinash Singh Assistant, Prof. Department of Dairy Technology, and Dr. Shalini Masih, Assistant, Prof. Dept. of Statistics and Mathematics, SHIATS, Allahabad for their generous help and cooperation during the course of my research work.

I am extremely grateful to Dr. S.G.M Prasad.,, Er. S.N Takur ,Ms . Sarah S. Samuel and Dr. GnanaRaj, Assistant Professors, Department of Dairy Technology, SHIATS, Allahabad for their support and suggestion during my entire study of Ph. D.

I have no word to express my heartfelt thanks to, Prof .Dr. Annama Kumar ,Dr. Mohit Daya James Dr. V. B. Rajwade, Dr. T. Jesse Joel and Dr. Janitha Immanuel, Dr. Prasad Rao, Er. Ivan Sunit Rout, Dr. Murali, Er. Roshan Naik and Rev. SunillKruba whose prayer and encouragement have helped me a lot in the entire course of this study.

I can’t forget the encouragement, constant inspiration and prayers received from my would be wife. Dr. Meghana Roopa who have silently and unwittingly provided the motivation to undertake this research.

My vocabulary fails in expressing my indebtedness to my Dear Father Mr. Deva Raju Garu, (Mother) Mrs. Mary DevaRaj scarify their entire life for my betterment, and my two Sister and Brother-in-laws Mrs Dina Divya Kumari and Mr. Shaker, & Mrs. Aruna Jothi. MD.Johnson, my nephews Revanth Kumar and Shilas Roseer who’s love and
affection have always inspired me in every step of my life and which can't be appreciated in mere words.

I am also indebted and extremely thankful to my father and mother - in - laws Lazarus and Vijaya kumari and in - laws Er. Tharun Tej and Dr. Suma Parimala, for their affection and cooperation during my entire research work.

It gives me a great pleasure in acknowledging the constant encouragement, valuable suggestion and help received from my officials Mr.S.Bhasha (GM operations) and B. Naik (DGM Lacatalis), Er.Ramkumar Pola (Manager-Almari), Er.B.Rajkumar (A.P. Dairy Manager), My friends Ph.D scholars Dr.K.Yogi (murari), Dr.P. Ashok Reddy, and my colleagues in Ph.D, and all my juniors of Andhra community during this investigation.

I am very much thankful to non-teaching staff members Mr. Biju John and Lab Assistant, Mr. Patras Masih and Mr. Hardeo Ram for their help during my thesis work.

Last but not least, I express my thanks to each and every person who directly or indirectly aided me in the completion of this work.
