Acknowledgement

Though we thank the Supreme Power daily but I feel deeply blessed when I see my hard work and the blessings of Supreme Almighty and my elders materializing.

It is with a deep sense of gratitude that I take this opportunity to express my sincere thanks to my honourable and learned teacher and Guide Dr. Navnit Agarwal M.D. Professor, Deptt. of Medicine M.L.B. Medical College, Jhansi. A brilliant Diabetologist and Physician, dynamic personality and eminent academician. It is my proud privilege to have been associated with and remain under his constant vigilance. The joy and experience of working under his guidance is really something out of this world. His invaluable suggestions, constructive criticisms, meticulous attention to detail and authentic corrections have made this work possible. It is virtually impossible to express in words my deep sense of indebtedness and profound gratitude to him. He will always remain a constant source of inspiration throughout my life.

About my Co-Guide Prof. (Dr.) R.C. Arora M.D., D.Sc Principal, Professor and Dean Department of Medicine, M.L.B. Medical College, Jhansi, the more said is less. His affectionate guidance, invaluable support and keen interest have helped me immensely. The constant encouragement and subtle criticism offered by him were the source of strength that enabled me to tread forward over the obstacles.

I am extremely thankful to Co-Guide Dr. Mrs. Sunita Arora M.S., Professor, Department of Obstetrics and Gynaecology, M.L.B. Medical College, Jhansi, whose continuous supervision and assistance helped me a lot.
in materializing this task. She bestowed her close attention to its progress even during odd hours, not only showing the path but lighting it as well.

I express my deep sense of gratitude to my learned and honourable teachers Prof. (Dr) P K Jain M D MNAMS, Dr. Praveen Jain M D D M (Cardiology) Professor of Cardiology, Dr N S. Sanger M D D M (Nephrology), and Dr Gyanendra Kumar M D (Psychiatry), Department of Medicine, for giving me inspiration and encouragement.

I am indebted to my parents and family members for their inspiration, moral support, love and encouragement throughout my studies, without which I would never have been able to complete thesis work.

I am highly thankful to my colleagues Dr Vikas Jain, Dr Prashant Kumar, Dr Zaheer Hussain, Dr. Upendra Singh, Dr. Ajay Katiyar, Dr. Anurag Srivastava, Dr Rupesh Singh, Dr Vaibhav Shukla, Dr. Jeewan Agarwal, Dr Sushil Shukla, Dr Sanjay Pant and all the other Residents of Medicine Department for their extreme co-operation in the entire period of work to carry out this present study.

I thank Nursing and Hospital staff for their goodwill and kind cooperation with special indebtedness to Thyrocare Laboratory.

Some other people also deserve my heartiest thankfulness but they are unnamed and are not less important in any other manner.

I always thanks to Mr Praveen Arora (Crux Computers, Sadar Bazar, Jhansi) who completed the thesis work nicely within time.

Lastly but not the least I am thankful to all the patients who were the very basis of this study.
