

## Acknowledgements

With a deep sense of gratitude, I wish to express my sincere thanks to my research supervisor, **Professor B.A. Chopade**, for his immense help in planning and executing this work in time. His perpetual energy and enthusiasm in research has highly motivated me. He sets an excellent example as a researcher for his rigor and passion in research and instilled the same in me. What I know today about the process of research, I learned from Professor B.A. Chopade.

My sincere thanks are due to **Prof. B. P. Kapadnis**, Head, Department of Microbiology for his valuable guidance and support. I also extend my sincere thanks to **Prof. R. L. Deopurkar**, his thought provoking suggestions and encouragement helped me during my research and while writing this thesis. I would like to thank all the **nonteaching staff** at the **Department of Microbiology** and **Institute of Bioinformatics and Biotechnology** for their timely help.

I acknowledge the financial support provided by **Department of Biotechnology (DBT), New Delhi** for the research grant and fellowship. A special thanks the authorities at Modern College, Pune for allowing me to work for my Ph. D in spite of holding the responsibility of an Assistant Professor at the College.

My Sincere thanks are due to **Dr Yogesh Shouche**, Scientist, National Center for Cell Sciences and **Mr. Girish Kulkarni** for extending timely help in sequencing of the cultures. I am extremely thankful to **all the technicians** at Garware research centre, Pune University and Doctors Analytical Laboratory, Pune for the timely help for the structural analysis. Sincere thanks to **Dr. Suresh Gosavi**, Associate Professor, Department of Physics, Pune for extending the Scanning electron microscopy facilities on a single request. No words can suffice the timely help, support and guidance by **Dr. Ayesha Khan** and **Dr. Rashmi Nair**, IBB, Pune.

I express my heartfelt thanks to my friend and labmate, **Dr. Karishma Pardesi** for her moral support, friendly advice, help and presence in both my happy and disastrous times. Thanks to her for bringing the thesis in shape with her excellent MS word skills. My gratitude to **Dr. Shilpa Mujumdar** for all her care and understanding. Both of them have been a big pillar of support, teaching me how to smile in bad times.

Special thanks to my friends Dr. Dhara Sachdev, Ratnamala Vasave, Dr. Shweta Jagtap, Dynaneshwar Maindad, Sharvari Gaidhani, Akansha Vatsal, Swanand Joshi, Vinay Pawar, Devendra Dusane, Ashok Bankar and Prashant Gaikwad for the moral support, friendly advice and an ever helping hand.

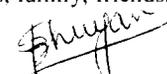

Working in laboratory was a memorable experience, thanks to all my **labmate friends** and seniors Dr. Shete, Dr. Yavankar, Dr. Sathe, Dr. Patwardhan, Farokh Rokhbakhsh-Zamin, Nadia Kazemi Pour, Saba Parkar, Sougata Ghosh, Praveen Sahu, Amol Raut, Kedar Ahire, Vishaka Baikar, Vikas Shinde, Divya Prakash, Mr. Milind Gajbhiye, Mrs. Sangeeta Ahiwale, Smita Jagdale, Shweta Fulsundar, Madhumita Gaikwad and Abhinav Shirole.

Thanks to all my colleagues at Modern college **Prajakta, Rupali, Sheetal, Vivek, Shradha**, and **Madhuri** for all their support, encouragement and help in managing my lectures at college whenever I had work. Thank you **Alka, Maushi, Amar and Vikas** for all the help and concern. I will be failing in my duty if I do not mention the patience and support shown by **my graduation and post-graduation students** with whom I could not spend sufficient time while writing my thesis.

I would like to share this moment of happiness with my friends **Sumi, Beena, Saju and Jeevan** for their unflagging support throughout this endeavour. I owe my gratitude to all my students at University and College. Special thanks to Vijendra, Pallavi, Aroha, Urmila, Sakshi, Peehu, Piyush, Rahul, Soham, Shraddha, Riddhi, Urvi and Shrikant. The list is endless, and they know, I mean to write their names in here.

Lastly, I am indebted to my **Parents** without whom this was impossible. This list is incomplete without saying thanks to my Brother, Bhabi, Appa, Milind dada, my cousins Harshal and Suyash and all my relatives who have rendered me enormous support during the entire tenure of my research. To all the above individuals, and to several colleagues whose names I cannot continue listing and who have assisted me one way or another, I feel very much indebted. I assume alone full responsibility for all the remaining shortcomings. I hope this end result does not let down, most of you mentors, family, friends, colleagues, and students who have supported me all along.
