

Publications

Bhatta, D.R., Bangtrakulnonth, A., Tishyadhigama, P., Saroj, S.D., Bandekar, J.R., Hendriksen, R.S., and Kapadnis, B.P. (2007) Serotyping, PCR, phage-typing and antibiotic sensitivity testing of *Salmonella* serovars isolated from urban drinking water supply systems of Nepal. *Letters in Applied Microbiology* ISSN 0266-8254 (In Press).

Manuscript under preparation

Bhatta, D.R., Ackermann, H.W. and Kapadnis B.P. (2007) Characterization and exploitation of *Salmonella* Bacteriophages isolated from river in Nepal

Bhatta, D.R., Sharma, L.P., Sauche, Y. and Kapadnis, B.P. (2007) Isolation, screening, morphological characterization and 16S rRNA gene sequencing studies on anti-*Salmonella Bacillus* isolates from Nepal.

Bhatta, D.R., Sharma, L.P., Sauche, Y. and Kapadnis, B.P. (2007) Production, Extraction, and charecterization of low pH anti- *Salmonella* compound from newly isolated *Bacillus subtilis* KBB

Bhatta, D.R., and Kapadnis, B.P. (2007) Microbiological studies on urban water supply systems of Nepal

Bhatta, D.R., Hendriksen., R. and Kapadnis, B.P (2007) Phage typing and sequencing studies on ESBL producing environmental isolates of *S. Typhimurium* from Nepal
