

ACKNOWLEDGEMENT

At the very outset I would like to express my deepest sense of gratitude and indebtedness to my guide honourable Prof. D.C. Goswami, former Professor and Head of the Department of Environmental Science, Gauhati University, Guwahati, Assam for his constant guidance and unstinted support during my research work and entire study. I owe lifelong obligation to him and he would be always my constant source of inspiration for my whole life. I am fortunate to work under his supervision and I will cherish the moments of working with him for my entire life.

I acknowledge my sincere regards to the Dean, Faculty of Science, Gauhati University and Dr. S. Kalita, Prof. and Head, Department of Environmental Science, Gauhati University for giving me the opportunity to pursue my Ph.D research in the Department of Environmental Science.

I am indebted to Dr. Shukla Acharjee, Assistant Professor; Centre for Studies in Geography of Dibrugarh University for her help in GIS based technical works and constant inspiration during my study.

My sincere thanks are due to Dr. Ajanta Goswami, Assistant Professor of IIT Roorkee, Dr. D.P. Dobhal, Senior Scientist of Wadia Institute of Himalayan Geology, Dehradun for their help during my research works and field survey.

I am thankful to Brahmaputra Board, Guwahati, Assam; Water Resources Department, Government of Assam; IMD Guwahati, Survey of India, IIT Guwahati and the Libraries of Delhi University and H.N.B. Garhwal University for providing me help and valuable information without which I would not have come up with this thesis.

My thanks are due to Dr. Chinmoyee Gogoi, Dr. Pallavi Sarma and Dr. Sutapa Chakraborty for their help and encouragement during my study.

Thanks are due to my friend Bidyut Bikash Sharma and the research scholars and the office staff of the Department of Environmental Science, Gauhati University for their help during my research. My sincere appreciation goes to Rahul Xerox & D.T.P. Centre for their dedicated service.

I owe lifelong obligation to my parents, husband, brother and sister for their encouragement, moral support and motivation to persist and complete my research works. My thanks are due to my in-laws and family members for their encouragement especially in the last phase of my research.

At last, I offer my sincere gratitude to all those who helped and encouragement me directly or indirectly in pursuing my research work.

Sangita Devi
