I convey my heart-felt thanks to **Mr.P. Chandran**, Field assistant, for his assistance during field surveys and for his initial open-sea swimming coaching which made me an efficient marine swimmer, a stepping stone for my SCUBA diving skills.

I owe my deep and profound gratitude to my boat driver **Mr. Shahul Hameed**, and **Mr. Nazar**, Care Taker, Mandapam, who helped me throughout my study period.

Financial assistance in the form of Junior Research Fellowship funded by Department of Ocean Development, Ministry of Earth Sciences, New Delhi, and Senior Research Fellowship funded by Space Application Centre, Indian Space Research Organization, Ahmadabad, are gratefully acknowledged.

With exhilarating heart, I owe much more than I can, to my beloved parents, wife and my sister's family for their constant encouragement which did a great deal all through the stages of my life and my indebtedness to them is quite inexplicable.
