ACKNOWLEDGEMENT

I profoundly express my deep and sincere gratitude to Dr. G. Arumugam, Senior Professor and Head, Department of Computer Science, Madurai Kamaraj University, Madurai, for suggesting this field of research work and supervising the entire work with the utmost zeal. I feel gratefully obliged to acknowledge his kindness, patience, encouragement and understanding towards my research work.

I thank the Management, Correspondent and Principal of Kongu Arts and Science College, Erode for permitting me to carry out my research work at Madurai Kamaraj University, Madurai.

I wish to express my most sincere thanks to my Head of the Department Prof. P. Ramesh and faculty members of Department of Computer Science especially Prof. K.G. Santhiya and Prof. P.B. Pankajavalli for their continuous encouragement during this work.

I am very much indebted to all the members of my family for their invaluable moral support at every stage of my progress in this research work.

Finally, I should also thank all those who have helped me directly or indirectly in the successful completion of my thesis work.

V. KRISHNAVENI
