Acknowledgements

Words are not enough to express my profound gratitude and reverence for my esteemed supervisor Dr. Bharat Bhushan Singla, Assistant Professor, School of Management Studies, Punjabi University, Patiala, who with his scholarly erudition and knowledge, imparted his valuable guidance to me. This research endeavor would not have been possible without his in-depth thinking and analytical approach. I am deeply indebted to him for nurturing my research aptitude and enriching this thesis in innumerable ways. I am extremely grateful to him for showing keen interest in the research work and providing me with the much needed guidance. It is worth mentioning here that his cool temperament and humble nature gave me liberty to bother him at odd hours.

I express my heart full gratitude to Dr. Varinder Kaur Thind, Principal Khalsa College for Women, civil lines, Ludhiana, who was instrumental in conception of this idea of research.

I feel highly indebted to Dr. Suresh Kumar Sharma, professor, Vice-principal, College of Nursing, Dayanand Medical College and Hospital, Ludhiana, whose unconditional support helped me to sail through this arduous journey. He walked along with me as my mentor in this journey guiding, supporting, criticizing and sharing with me his wisdom, knowledge and affection. He never pulled himself back from offering his valuable insight and providing his constant support, advice and help during the completion of this research project.

My special thanks to Dr. Ashwani Bhalla, Professor, SCD College, Ludhiana, for rendering his supports and help to carry on my research work and providing his constructive advice for shaping the present script.

My special thanks are due to Dr. (Mrs) Jasbir Kaur, Principal, College of Nursing, Dayanand Medical College and Hospital, Ludhiana whose unconditional support helped me to float through this grueling journey.

I am thankful to Prof. S.K Singla, former Head Department of Business Management, Punjab Agricultural University, Ludhiana, for providing his precious insight and guidance.

I am beholden to Dr. Kirandeep, Assistant Professor, Master Tara Singh College for providing her encouragement and support.

I would also place on record my utmost sincere thanks to all the respondents and Principals of selected schools, who unhesitatingly provided all the information and were always enthusiastically ready to answer to all my queries without which it would have been impossible to bring this work to a successful conclusion.

I extend my thanks to librarian, secretarial and all other staff of Mudra Institute of Communication and Advertising, Ahmadabad for their constant support.

I express my warm love and gratitude to my mother (Mrs. Neena Khanna), father (Mr. Joginder Pal Khanna), Late Smt. Bimla Sehgal, brother (Mr. Kawithansh
Khanna) and sister (Mrs. Pragya Khanna) and my younger sister Dr. Deepika Singla for talking to me through the tough times and for providing me with unconditional love.

I extend thanks to my husband Mr. Pavinder Sehgal and my son Akash Sehgal who’s perpetual love and inspiration, kept me going without any feeling of loveliness and insecurity. I am duly thankful to them for tolerating my endless weekends & vacations facing computer and providing me with all the support I needed to complete my goals.

My friends and colleagues deserve thanks that stood by me and for their unconditional help.

I also thank Gurdeep Singh for extending unconditional cooperation and devoting long hours in type-setting of the present script.

This list of expression of thanks no matter how extensive is always incomplete and inadequate. This acknowledges is no exception. Last but not the least my thanks are also due to all those who have been associated with this work but have not found their names in this acknowledge, I shall remain ever grateful for their assistance.

The God Almighty has always been kind to me end ceaselessly showered his blessings on me. During the course of this study umpteen time I felt his presence around and it is thy power that I could complete this study.

A research work is never complete and is never without shortcoming I own the entire shortcomings in this work. However, I hope that suggestions made by me would be of some help to the policy makers, the planners, the administrators and the management in the providing a better quality patient care to citizens of this country.
