

ACKNOWLEDGEMENTS

I express my deepest sense of gratitude, indebtedness and heart felt thanks to **Dr. Amar Inder Singh**, Associate Professor, School of Management Studies, Punjabi University, Patiala, who walked along with me as my mentor in this journey, guiding, supporting, criticizing and sharing with me his profound wisdom, knowledge and affection. The personality par excellence in the field of management research, his deep in-sight in the subject motivated me to select this specific study. It was due to his sincere efforts that I could formulate different aspects of the study and apply them to the data collected in a scientific way to attain the given results. It was for his moral support and care that has made it possible for me to attain this stage of academic achievement in my life.

All faculty members of School of Management Studies, Punjabi University, Patiala deserve my special regards for providing me all possible help and encouragement, as they have never pulled themselves back from offering their valuable insights, coupled with constructive criticism.

I lack words to express my warm regards and gratitude to my reverend parents who always bestowed their '**Ashirwad**' on me and remained a source of inspiration throughout my research work. Their noble ideas and God fearing attitude have come a long way in shaping my destiny. My dear Friend, **Dr. B.B.Singla** deserves a special mention here for lending me their untiring support. I am also thankful to all relatives who always extended me a helping hand.

The birth of my son **Naitik Bansal** coincides with the high-intensive period of the study; it provided me the much needed lighter moments and joy, to rejuvenate my energy stocks. The contribution of my wife **Ms.Jyoti Bansal**, is equally great as due to my deep involvement in the research work she performed happily even those additional household duties which were generally assigned to me. She always extended me all possible help and co-operation. Her motivation always inspired me to move forward.

I have drawn heavily on the library services of Panjab University, Chandigarh, Punjab Agriculture University, Ludhiana, Kurukshetra University, Kurukshetra, Guru Nanak Dev University, Amritsar and Punjabi University, Patiala, PCTE, Baddowal (Ludhiana). My thanks are due to all librarians and supporting staff who were always

more prompt and helpful. I am also thankful to all office staff and library staff members of School of Management Studies, Punjabi University, Patiala for their guidance to cope with the procedural formalities.

I will be failing in my duties if I do not thank all those authors and researchers from whose works I have gusted extensively. I am also thankful to all the respondents who spared their invaluable time to give me the required information during the research work.

Last but not the least; I am highly grateful to all the respondents who shared their views openly which led me to make ultimate conclusions. Above all, no venture can be completed without the blessings of Almighty. I consider it my bounded duty to bow to the Almighty whose kind blessings always inspired me to walk in the right direction and have given me the vigour to fulfil the dreams of my family.

Gautam Bansal
