ACKNOWLEDGEMENT

I wish to place on record, my immense gratitude to Dr. N. Suresh Kumar, Scientist-C, My Research Guide, Central Sericultural Research and Training Institute, Mysore, earlier and presently at Berhampore, for his able guidance, constant encouragement and valuable suggestions rendered throughout this investigation and in preparation of thesis in the present form, which otherwise would have been not made possible.

My sincere thanks are due to Dr. S.B. Dandin, Former Director and Dr. S.M.H. Qadri, Director, Central Sericultural research and Training Institute, Mysore for sponsoring my candidature to pursue research at University of Mysore and the constant encourage extended. Further, my immense thanks are due to Dr. S. Nirmal Kumar, Scientist-D, Divisional Chief, Sericulture Division, Dr. H. K. Basavaraju, Scientist-E (Retired), for their constant help in formulation of study concepts and practices.

I wish to thank, Dr. C. K. Kamble, Former Director, Dr. K. P. Jayaswal, Retired Scientist-D, A. K. Sen, Retired Scientist-D, S. S. Sindagi, Retired Scientist-D, R. K. Pandya, Retired Scientist-D, for their constant support rendered during their tenure at Satellite Silkworm Breeding Station, Coonoor as head of the station, while this investigation was carried out. My special thanks are due to my colleagues, Smt. E. Rajalakshmi, Scientist-C and Sri. B. T. Sreenivas, Scientist-C for their invaluable support rendered during this investigation.

My sincere thanks are due to all supportive staff of Satellite Silkworm Breeding Station, Coonoor and, technical staff in particular who had extended a helping hand in carrying out this investigation meticulously and toiled hard along with me for satisfactory completion.
I express my sincere thanks to Dr P. Kumaresan, Scientist-D for his constant support and encouragement.

Finally, I dedicate this investigation to my beloved parents, Sri P. Velusamy, my father and Smt. Valliammal, my mother who had given me this soul thereby to experience a humanly life and to my family, my wife, P. Punithavathi and beloved daughters, L. Kaaviya and L. Madhumitha, for having made my life more meaningful and being the driving force for whatever little deeds in good I could make.

My special thanks are due to Sri J. Justin Kumar, Technical Assistant, CSRTI, Mysore for his timely help rendered on the neat alignment and presentation of the thesis.

V. Lakshmanan
