Dedicated to
My Beloved Parents
ACKNOWLEDGEMENTS

I express my most sincere thanks to Prof. Dr. P.K. Abdul Azis, Department of Aquatic Biology and Fisheries, University of Kerala, for suggesting the problem and for constant encouragement, valuable advice and guidance provided throughout the period of my study.

I am deeply indebted to Prof. Dr. P. Natarajan, Head, Department of Aquatic Biology and Fisheries, University of Kerala, for his valuable advice, help, encouragement, guidance and for providing necessary facilities for the work.

I am particularly indebted to Prof. Dr. N. Balakrishnan Nair, Honourary Professor, Department of Aquatic Biology and Fisheries, University of Kerala, for the valuable help he has rendered.

I am very thankful to Sri. N.K. Balasubramanian, Reader in Biostatistics, Department of Aquatic Biology and Fisheries for the valuable help rendered by him in the statistical interpretation of the data.

I am grateful to Dr. T. Vasudevan Nair, Senior Chemist, Department of Aquatic Biology and Fisheries for the extensive help rendered for chemical analysis.

I am most grateful to Prof. Dr. P. Rajendran, College of Agriculture, Vellayani, Prof. Dr. Jorg. A. Ott, Institute for Zoology, University of Vienna and to Prof. Christer Erseus, Swedish Museum of Natural History for the valuable help rendered by them for the completion of this thesis.

I record my sincere appreciation for the encouragement and co-operations received from my respected teachers and dear colleagues in the Department of Aquatic Biology and Fisheries. It would be a matter of ungreatfulness if I do not render my special thanks to Smt. Kiron Vasudevan, Bindu.L, Sareena O, Sherly D, Sabu Thomas, Anil Kumar N.C and Sri. T. Anil Kumar. Grateful acknowledgements are also due to the Staff, Sai Computers for the neat typing of the thesis.

I wish to express my sincere thanks to my parents, brothers and sisters for their love, encouragement and prayers they have bestowed on me. I am very much indebted to my brothers-in-law Sri. C. Radhakrishnan and Dr. G. Rajendran for the helps they have rendered during the period of study.

Above all I thank God Almighty for His showers of blessings in successful completion of this work.
