ACKNOWLEDGEMENT

I would like to register my deep sense of gratitude to my supervisor, Prof. C. Panduranga Bhatta, Department of Sanskrit, Pondicherry University, but for whose help this work would not have been completed. It is his valuable suggestions and motivation that have embellished the present thesis.

I thank Prof. V. Kutumba Sastry, Head, Department of Sanskrit and Dr. J. Krishnan and Sri Chakradhar Behera, Lecturers, Dept. of Sanskrit, Pondicherry University, for their encouragement through out the course of this work.

I remain grateful to my Prof. S. Ramaratnam, Head, Dept. of Sanskrit, Dr. K. Srinivasan, Senior Lecturer, Dr. V. Abhirama Sundaram, Senior Lecturer and other staff members, Dept. of Sanskrit, R.K.M. Vivekananda College, Madras - 4.

I am also thankful to the authorities of the Pondicherry University for having allowed me to carry out research in the Department of Sanskrit.

My thanks are also due to the authorities of the Ananda Rangapillai Central Library, Pondicherry University, French Institute of Indology, Pondicherry, K S R I, Mylapore; R. K. M. Vivekananda College, Department of Sanskrit, Mylapore and Adyar Library and Research institute, Madras, for allowing me to consult their libraries.

My special thanks to Sri Raman for a neat presentation, through DTP work, of my thesis.

I am also indebted to many souls both in Pondicherry and Madras without whose help and encouragement my work would not have been completed.
