Contributions of many individuals and institutions have gone into the making of this thesis and I acknowledge such contribution with gratitude.

First of all I record my sense of gratitude to my guide Dr.(Mrs).M.Jeyarathnam, M.A., MBA., Ph.D., Professor, Department of Management Studies, KLN College of Engineering, Pottapalayam, Sivagangai District, for her scholarly guidance and inspiration. She was deeply involved in the study right from the formulation of the problem till its completion. It was a rewarding experience to work under her supervision. I am grateful to her for the immense help and appreciation I have received from her.

I am very much thankful to India Post, for providing the opportunity to undertake research work in their esteemed organization. My sincere thanks to Mr.Rajarajan, IPS, Director, Postal Training Centre, Madurai, Mr.P.L.Rahunathan, Assistant Director, Postal Training Centre, Madurai and the trainers especially Mr.Senthamil Selvan for assisting me in preparing the questionnaire and collecting the data for the study. I also thank all the trainees who responded and cooperated with me in data collection.

I am extremely thankful to Dr. K. Natarajan, Principal, SVN College, Madurai, Dr.V.Manikavasagam, Controller of Examinations, Alagappa University, Karaikudi, Dr.Jayshree Suresh, Dean-MBA, SRM University, and Dr.David Jawahar, Bharathidasan Institute of Management, Trichy, for their invaluable suggestions at various stages of the thesis.
I am indebted to Dr. R. Ravan, Reader, Presidency College, Chennai for his constructive suggestions with regard to statistical tools applied in the thesis.

My thanks are due to Dr. J. S. Arul Raj, Professor of English, SVN College, Madurai and Dr. T. M. Prem Chandran, Professor of English, Madurai who had gone through the draft of the thesis and offered many suggestions for improvement.

My special thanks to Mr. M. N. Krishnamorthy, Senior Deputy Registrar, Madurai Kamaraj University, Madurai for his special interest in me and the solid support offered to me from the beginning till the completion of the thesis.

My thanks are also due to all my colleagues in SRM University for their encouragement during the period of research and all non teaching members especially Mr. K. Ananthan, DTP operator of MBA Department, SRM University, Chennai for their timely assistance in writing of the dissertation.

I am deeply indebted to my parents, in-laws, wife and daughter for their unfailing support, immense patience and fervent prayers for the completion of the work.

I thank God for endowing me with enough will power to overcome all impediments in completing this thesis effectively.
