ACKNOWLEDGEMENT

Firstly I would like to thank God Almighty for bestowing his blessings upon me so that I could successfully complete my research work.

With great respect and profound gratitude, I thank my Guide Dr. SHAILESH B. RAVAL, Associate Professor, Department of Psychology, L.D Arts College Ahmedabad. For his valuable guidance and help me to complete my research work. During my research work he has provided constant guidance, engorgement and motivation. This research work has been possible because of deep knowledge of subject, long experience of teaching.

I am also very much thankful Dr. Urmii Biswas, Department of Psychology M.S University Baroda, Dr. Sharon writer, Associate Professor Department of Psychology L.D Arts College, Ahmedabad, and Dr. Dinesh Panchal Retd. Associate Professor Department of Psychology Gujarat University Ahmedabad who have encouraged and motivated me thought my research work.

I am very much thankful to Preschool Training Department and Sharda School of B.M. Institute of Mental Health, Ahmedabad, various NGOs and therapeutic centers of Ahmedabad, Gandhinagar for District allowing me to collect the data from mothers of Disabled children.

I am deeply grateful to respected my father Darshan Trivedi, mother Priti Trivedi. I am also very much thankful to Grand Mother (Nani) Kailash Dave Grand Father (Dada) Padhmnabh Trivedi and Maternal Uncle Bharat Dave who have always been a source of strength and moral buster for me.
