List of Figures

Figure 1.1: Structure of Chapter 1 .................................................................1
Figure 1.2: Outline of Chapters .................................................................33
Figure 1.3: Scope of the study .................................................................43
Figure 2.1: Structure of Chapter 2: Part- I ..................................................47
Figure 2.1: Structure of Chapter 2: Part- II ...............................................87
Figure 2.2: Range of service offerings from Indian IT and ITeS industry ..........93
Figure 2.3: On-shore Software Development Model (Body shopping model) ....100
Figure 2.4: Off-shore Software Development Model ..................................101
Figure 2.5: Project Management Trade-offs ............................................108
Figure 2.6: Software Development Life Cycle ........................................116
Figure 2.7: Aligned PMLC and SDLC .....................................................117
Figure 2.8: Capability Maturity Model Maturity Levels .............................122
Figure 3.1: Structure of Chapter 3 ........................................................134
Figure 3.2: Diagrammatic Presentation of Independent and Dependent Variables of the Research Study ..........................................................138
Figure 3.3: Diagrammatic Presentation showing End Result of Enhanced Relationship between Independent and Dependent Variables .................139
Figure 3.4: Diagrammatic Presentation of the Conceptual Framework/Model Formulated .................................................................141
Figure 3.5: Overall Research Framework .................................................149
Figure 4.1: Structure of Chapter 4 ............................................................152
Figure 4.2: Organizational levels of a typical Software Organization ..........168
Figure 5.1: Structure of Chapter 5: PART- I ..........................................185
Figure 5.1: Structure of Chapter 5: PART- II ..........................................401
Figure 5.2: Graph showing mean plots of successful, challenged and failed projects .................................................465
Figure 6.1: Structure of Chapter 6 ............................................................489
Figure 6.2: Division of IT firms into Vertical Business Units (VBU) and Horizontal Business Units (HCU) ......................................................521
Figure 6.3: Typical Organisation Structure of Information Technology Firms ....522
Figure 7.1: Structure of Chapter 7 ............................................................524
