Table 5.12: Level of Education and Type of Project…………………………………………203
Table 5.13: Total Experience in IT of Participants and Type of Project……………………205
Table 5.14: Size of Project Team members and Type of Project…………………………206
Table 5.15: Summary of Demographics of Participants:
Table 5.16: Project Team Members response:
Instils pride in me for being associated with him/her..........................210

Table 5.17: Project Managers response:
I instil pride in others for being associated with me..........................211

Table 5.18: Project Team Members response:
Goes beyond self-interest for the good of the group.............................212

Table 5.19: Project Managers response:
I go beyond self-interest for the good of the group.............................213

Table 5.20: Project Team Members response:
Acts in ways that builds my respect...................................................214

Table 5.21: Project Managers response:
I act in ways that build others respect for me......................................215

Table 5.22: Project Team Members response:
Displays a sense of power and confidence...........................................216

Table 5.23: Project Managers response:
I display a sense of power and confidence..........................................217

Table 5.24: Project Team Members response:
Talks to us about his/her most important values and beliefs..................218

Table 5.25: Project Managers response:
I talk about my most important values and beliefs.................................219

Table 5.26: Project Team Members response:
Specifies the importance of having a strong sense of purpose................220

Table 5.27: Project Managers response:
I specify the importance of having a strong sense of purpose................221

Table 5.28: Project Team Members response:
Considers the moral and ethical consequences of decisions....................222

Table 5.29: Project Managers response:
I consider the moral and ethical consequences of decisions....................223

Table 5.30: Project Team Members response:
Emphasize the importance of having a collective sense of mission...........224

Table 5.31: Project Managers response:
I emphasize the importance of having a collective sense of mission...........225

Table 5.32: Project Team Members response:
Talks optimistically about the future…………………………………………………….226

Table 5.33: Project Managers response:
I talk optimistically about the future…………………………………………………….227

Table 5.34: Project Team Members response:
Talks enthusiastically about what needs to be accomplished…………………………..227

Table 5.35: Project Managers response:
I talk enthusiastically about what needs to be accomplished…………………………..229

Table 5.36: Project Team Members response:
Articulates a compelling vision of the future…………………………………………….230

Table 5.37: Project Managers response:
I articulate a compelling vision of the future……………………………………………..231

Table 5.38: Project Team Members response:
Expresses confidence that goals will be achieved…………………………………………232

Table 5.39: Project Managers response:
I express confidence that goals will be achieved…………………………………………233

Table 5.40: Project Team Members response:
Re-examines critical assumptions to question whether they are appropriate……….234

Table 5.41: Project Managers response:
I re-examine critical assumptions to question whether they are appropriate………..235

Table 5.42: Project Team Members response:
Seeks differing perspectives when solving problems………………………………….236

Table 5.43: Project Managers response:
I seek different perspective when solving problems………………………………………..237

Table 5.44: Project Team Members response:
Gets me to look at problems from many different angles…………………………………238

Table 5.45: Project Managers response:
I get others to look at problems from many different angles……………………………..239

Table 5.46: Project Team Members response:
Suggests new ways of looking at how to complete assignments……………………….240

Table 5.47: Project Managers response:
I suggest new ways of looking at how to complete assignments……………………….241

Table 5.48: Project Team Members response:
Spends time teaching and coaching………………………………………………………….242

Table 5.49: Project Managers response:
I spend time teaching and coaching .............................................................. 243

Table 5.50: Project Team Members response:
Treats me as an individual rather than just as member of the group .......... 244

Table 5.51: Project Managers response:
I treat others as individuals rather than as a member of a group .......... 245

Table 5.52: Project Team Members response:
Considers me as having different needs, abilities and aspirations
from others ............................................................................................ 246

Table 5.53: Project Managers response:
I consider an individual as having different needs, abilities and
aspirations from others ........................................................................ 247

Table 5.54: Project Team Members response:
Helps me to develop my strengths ......................................................... 248

Table 5.55: Project Managers response:
I help others to develop their strengths ............................................... 249

Table 5.56: Project Team Members response:
Provides me with assistance in exchange for my efforts ................. 250

Table 5.57: Project Managers response:
I provide others with assistance in exchange for their efforts ............ 251

Table 5.58: Project Team Members response:
Discusses in specific terms who is responsible for achieving
performance targets ................................................................................ 252

Table 5.59: Project Managers response:
I discuss in specific terms who is responsible for achieving
performance targets ................................................................................ 253

Table 5.60: Project Team Members response:
Makes clear what one can expect to receive when performance
goals are achieved ................................................................................ 254

Table 5.61: Project Managers response:
I make clear what one expect to receive when performance
goals are achieved ................................................................................ 255

Table 5.62: Project Team Members response:
Expresses satisfaction when I meet expectations .......................... 256

Table 5.63: Project Managers response:

Page | xxiii
I express satisfaction when others meet expectations…………………………257

Table 5.64: Project Team Members response:
Focuses attention on irregularities, mistakes, exceptions and deviations from standards…………………………………………………………258

Table 5.65: Project Managers response:
I focus attention on irregularities, mistakes, exceptions and deviations from standards……………………………………………………………259

Table 5.66: Project Team Members response:
Concentrates his/her full attention in dealing with mistakes, complaints and failures…………………………………………………………………260

Table 5.67: Project Managers response:
I concentrate my full effort in dealing with mistakes, complaints and failures………………………………………………………………………261

Table 5.68: Project Team Members response:
Keeps track of all mistakes………………………………………………………262

Table 5.69: Project Managers response:
I keep track of all mistakes……………………………………………………….263

Table 5.70: Project Team Members response:
Directs my attention towards failures to meet standards…………………………263

Table 5.71: Project Managers response:
I direct my attention towards failure to meet standards………………………….265

Table 5.72: Project Team Members response:
Fails to interfere until problems become serious………………………………266

Table 5.73: Project Managers response:
I fail to interfere until problems become serious…………………………………….267

Table 5.74: Project Team Members response:
Wait for things to go wrong before taking action………………………………268

Table 5.75: Project Managers response:
I wait for things to go wrong before taking action……………………………….269

Table 5.76: Project Team Members response:
Shows that he/she is a firm believer in 'If it ain't broke, don't fix it'………………270

Table 5.77: Project Managers response:
I show that I am a firm believer in 'if it ain't broke don't fix it'……………………271

Table 5.78: Project Team Members response:
Table 5.79: Project Managers response:
I demonstrate that problems must become chronic before I take action………273

Table 5.80: Project Team Members response:
Avoids getting involved when important issues arise…………………………274

Table 5.81: Project Managers response:
I avoid getting involved when important issues arise…………………………275

Table 5.82: Project Team Members response:
Is absent when needed…………………………………………………276

Table 5.83: Project Managers response:
I am absent when needed………………………………………………277

Table 5.84: Project Team Members response:
Avoids making decisions…………………………………………………277

Table 5.85: Project Managers response:
I avoid making decisions…………………………………………………278

Table 5.86: Project Team Members response:
Delays responding to urgent questions……………………………………279

Table 5.87: Project Managers response:
I delay responding to urgent questions……………………………………280

Table 5.88: Project Team Members response:
Encourages me to freely explore the solution to the problem,
i.e. hacking………………………………………………………………281

Table 5.89: Project Managers response:
I encourage those I lead to freely explore the solution to the problem,
i.e. hacking………………………………………………………………282

Table 5.90: Project Team Members response:
Implements upper management's decisions with the same enthusiasm,
even if he/she does not completely agree with them……………………..283

Table 5.91: Project Managers response:
I implement upper management's decisions with the same enthusiasm,
even if I do not completely agree with them……………………………..284

Table 5.92: Project Team Members response:
Satisfies my desire for autonomy…………………………………………285

Table 5.93: Project Managers response:
I satisfy the desire for autonomy of those I lead........................................286

Table 5.94: Project Team Members response:
Facilitates my career development by providing challenging “stretch” assignments.................................................................287

Table 5.95: Project Managers response:
I facilitate career development of those I lead by providing challenging “stretch” assignments.........................................................288

Table 5.96: Project Team Members response:
Ensures that my goals are similar to the goals of the organization...........289

Table 5.97: Project Managers response:
I ensure that the goals of those I lead are similar to the goals of the organization.................................................................................290

Table 5.98: Project Team Members response:
Prevents the organizational bureaucracy from interfering with my work......291

Table 5.99: Project Managers response:
I prevent the organizational bureaucracy from interfering with the work of those I lead...........................................................................292

Table 5.100: Project Team Members response:
Manages the process of change by involving his project team in the implementation of change...........................................................293

Table 5.101: Project Managers response:
I manage the process of change by involving my subordinates in the implementation of change...............................................................295

Table 5.102: Project Team Members response:
Encourages champions by acting as a catalyst to convert their ideas into action..................................................................................296

Table 5.103: Project Managers response:
I encourage champions by acting as a catalyst to convert their ideas into action..................................................................................297

Table 5.104: Project Team Members response:
Remains open minded while evaluating the ideas of team members including his/her own.................................................................298

Table 5.105: Project Managers response:
I remain open minded while evaluating the ideas of
team members including my own

Table 5.106: Project Team Members response:
Takes timely and effective steps to achieve desired
quality standards in the project

Table 5.107: Project Managers response:
I take timely and effective steps to achieve desired
quality standards in the project

Table 5.108: Project Team Members response:
Secures resources to support creative endeavors

Table 5.109: Project Managers response:
I secure resources to support creative endeavors

Table 5.110: Project Team Members response:
Ensures that the organization rewards me appropriately for
my contribution

Table 5.111: Project Managers response:
I ensure that the organization rewards those I lead appropriately
for their contribution

Table 5.112: Project Team Members response:
Encourages addressing problems by using reasoning and
evidence, rather than unsupported opinion

Table 5.113: Project Managers response:
I encourage addressing problems by using reasoning and
evidence, rather than unsupported opinion

Table 5.114: Project Team Members response:
Gets me to do more than I expected to do

Table 5.115: Project Managers response:
I get others to do more than they expected to do

Table 5.116: Project Team Members response:
Heightens my desire to succeed

Table 5.117: Project Managers response:
I heighten others desire to succeed

Table 5.118: Project Team Members response:
Increases my willingness to try harder

Table 5.119: Project Managers response:
I increase others willingness to try harder………………………………….…313

Table 5.120: Project Team Members response:
The project manager believes in group effectiveness………………………………….314

Table 5.121: Project Managers response:
I believe in group effectiveness………………………………………………315

Table 5.122: Project Team Members response:
He is effective in meeting the group’s job related needs…………………………315

Table 5.123: Project Managers response:
I am effective in meeting the group’s job related needs…………………………316

Table 5.124: Project Team Members response:
He is effective in representing the group, he is leading to the higher authority……………………………………………………………………317

Table 5.125: Project Managers response:
I am effective in representing the group, I am leading to the higher authority……………………………………………………………………318

Table 5.126: Project Team Members response:
Overall, he is effective in meeting the requirements of the organization…………………………………………………………………………319

Table 5.127: Project Managers response:
Overall, I am effective in meeting the requirements of the organization…………………………………………………………………………321

Table 5.128: Project Team Members response:
The project manager uses methods of leadership that are satisfying, to get my group’s job done well………………………………………………………322

Table 5.129: Project Managers response:
I use methods of leadership that are satisfying, to get my group’s job done well………………………………………………………323

Table 5.130: Project Team Members response:
Overall, I am satisfied with the leadership abilities of my project manager…………………………………………………………………………324

Table 5.131: Project Managers response:
Overall, I work and display my leadership abilities in a satisfactory way…………………………………………………………………………325
**Project Team Members response:**

Table 5.132: Comparison of mean and standard deviation of successful, challenged and failed projects with *Transformational Leadership* questions………………326

Table 5.133: Comparison of mean and standard deviation of successful, challenged and failed projects with *Transactional Leadership* questions……………………327

Table 5.134: Comparison of mean and standard deviation of successful, challenged and failed projects with *Passive/Avoidant* Leadership questions………………..328
