Acknowledgement

It gives me great pleasure to express deep sense of gratitude in respect of my guide Dr. Leela J. Bhosale, for her able guidance, constant encouragement, discussions, understanding as well as patience during my research and writing too.

I am grateful to Dr. Niranjana Mulik for her valuable suggestions, generous help and my sincere thanks are also due to Dr. L.B. Apte, for her kind hospitality and encouragement during my research tenure.

My sincere thanks are due to Prof. B.A. Hegde (Former Head, Department of Botany, Shivaji University, Kolhapur).

I am also grateful to Prof. M.S. Patil, Head, Department of Botany, Shivaji University, Kolhapur. I offer my special thanks to him, for his kind, prompt and authentic help in identification of the fungal specimens.

I acknowledge all, the teaching as well as non-teaching staff from Department of Botany, Shivaji University, Kolhapur.

I am also grateful to Prin. R.K. Shinde (Joint Secretary, Rayat Shikshan Sanstha) and Prin. N.D. Patil (Chairman, Rayat Shikshan Sanstha, Satara) for giving opportunity to serve in the college affiliated to Shivaji University, Kolhapur and also for doing research work. I am thankful to Prin. N.N. Bhagare (Principal Pandharppur College, Pandharpur).

I am thankful to Mr. M.B. Waikar, Dr. A.D. Langade, Mr. C.D. Jadage, Mr. V.B. Jadhav, Dr. A.S. Bhoite, Mr. S.B. Patil and Colleagues in the Botany and Chemistry, Department, Pandharpur College, Pandharpur for providing Laboratory facilities and rendering help.
I offer my special thanks to Mr. S.R. Mumbaraddi, Mr. T. K. Thigale, Mr. V.V. Ghute and Mr. S.N. Ingole, for providing computer programming and assistance in statistical analysis.

My sincere and heartly thanks are also due to Dr. A.R. Supate, Dr. P.K. Kulkarni and Miss. Sheela Fernandes and all the research students who have helped me directly or indirectly.

I am thankful to Mr. Amar Patil, for his neat, punctual and prompt Typing and Xeroxing work and also to Mr. Ramchandra and Rajendra Kurlapkar for providing tracing facilities.

I am thankful to my beloved parents, brothers and family members for their encouragement and understandings. I offer my hearty thanks to my wife Tara for her kind understanding and encouragement due to which I could do my work leisurely.

Dilip Damodar Kurlapkar
Where,

The Bright Sun Shines, Bestowing the Weather Warm,
And Rivers meet the Sea, Oceans greet the land.

There,

Exists, the Reign of it's kind, in the intertidal province,
Harbouring the 'sheltered-life', Amidst 'Mangrove' as Prime.
