Acknowledgements

First and foremost, praises and thanks to the God, the Almighty, for his showers of blessings throughout my research work to complete the research successfully.

I would like to express my deep and sincere gratitude to my supervisor Prof. Gurpaul Singh Dhangra, for the patient guidance, encouragement and advice he has provided throughout my time as his student. I have been extremely lucky to have a supervisor who cared so much about my work, and who responded to my queries so promptly. His positive outlook and confidence in my research inspired me and gave me confidence. His careful editing contributed enormously to the production of this thesis.

I offer my cordial and profound thanks to Prof. N.S. Atri, Head Department of Botany, Punjabi University, Patiala, for providing me all the possible research facilities during the present study.

I'm extending my heartfelt thanks to Mrs. Meena Dhangra for her affection, sympathetic attitude and homely environment during excursion trips and thesis preparation.

My heartfelt thanks to Dr. Avneet Pal Singh for his advice, encouragement and essential contribution during the compilation and excursion trips.

I'm grateful to Prof. Nils Hallenberg, Department of Biological and Environment Sciences, University of Gothenburg, Gothenburg, Sweden and Prof. Leif Ryvarden, Biological Institute, University of Oslo, Blindern, Oslo, Norway for their help in identification of some specimens and making available to me some important reprints of their publications.

I express my sincere thanks to all faculty members of the department Prof. Santosh Kumari, Prof. R.C. Gupta, Prof. M.I.S. Suggoo, Prof. V.K. Singhal, Prof. Amarjit Singh, Prof. J.I.S. Khattar, Dr. D.P. Singh, Dr. Munruchi Kaur, Dr. Geetika Sirhind, Dr. Arneet Gill, Dr. Heena Khan and Dr. Manish Kapoor for the able guidance during the research work.

I'm thankful to Mr. Pawan Kumar, Mr. Kanti Vishalabh, Mr. Hari Singh and other lab assistants for their help.
I'm extremely thankful to my lab mates Miss Jyoti, Mrs. Priyanka, Miss Maninder, Miss Harpreet, Mr. Ranjeet, Mr. Sanjeet, Miss Gurpreet, Miss Nina, Mrs. Samita and Miss Uzma. It has been fun working with you'll and thanks for offering a helping hand whenever needed.

I would like to thank those close to me, whose presence helped in making the compilation of my research work possible. These are Mr. Navneet, Mrs. Samidha, Miss Harpreet Sidhu, Mrs. Sippu, Miss Randeep and Miss Vasudha.

I'm also thankful to my post graduate classmates and friends Miss Harwinder, Miss Gurdeep, Miss Sandeep, Miss Pujja, Mrs. Amandeep and Miss Lata for their available help and co-operation.

I wish to express deep sense of gratitude to my uncle Prof. Harchand Singh for his inspiration and blessings throughout my Ph. D.

Last but not the least I owe my deep sense of reverence to my parents and family members for their support and encouragement.

Besides this, I would like to thank all the people who have knowingly and unknowingly helped me in the successful completion of this thesis.
