ACKNOWLEDGEMENTS

It is my privilege to express my thanks and gratitude to all without whose help my thesis would have not seen the light of the day.

There can be no greater opportunity to express my profound gratitude to my respected teacher Dr. G.D. Gupta, Associate Professor and Head, Department of Ophthalmology, M.L.B. Medical College, Jhansi, under whose kind and inspiring supervision, this study was carried out. His masterly and expert guidance, invaluable help and fatherly advice helped me a lot in completing this research work, I will remain indebted to him now and forever.

I pay my deepest regard to Dr. B.S. Jain, Associate Professor, Department of Ophthalmology, M.L.B. Medical College, Jhansi, whose ever patronizing behaviour, disciplined but loving nature and constructive criticism at every juncture helped me harvest the fruit of present endeavour.

I express my gratitude to Dr. V. Misuriya, Asstt. Professor Department of Ophthalmology M.L.B. Medical College, Jhansi, for his active interest and valuable suggestions.
I owe my sincere thanks to my colleagues especially Dr. Diwaker Agarwal, Dr. Kapil Paliwal, Dr. Arjun Singh and Dr. Chitra Singh and others for their co-operation in this work. I extend my thanks to Mr. Sunder Lal Kushwaha, M/s J. P. Computers, Jhansi, for his flaw-less Laser typing and graphics. My thesis bears an indelible imprint of Miss. Sarika, whose meticulous and constant advice helped me to shape my thesis to its present form.

Finally I pay my humblest gratitude and respect to my family members, without whose blessings this work would not have been completed.
