

ACKNOWLEDGEMENTS

The first and foremost, I wish to express my sincere gratitudes to Dr. (Mrs.) M.M. Pillai, Lecturer in Cell-Biology, University Department of Zoology, Shivaji University, Kolhapur, for her scholastic guidance, encouragement and constructive criticism, right from the selection of the research project till the completion of this work. To her counsel the successful completion of this work is entirely due.

I am grateful to the Prof. and Head of the University Department of Zoology, Dr. A.T. Varute and the authorities of the Shivaji University, for providing all possible facilities. I also record my sincere thanks to the teaching and non-teaching staffs of the University Department of Zoology.

I am obliged to the Indian Council of Medical Research, New Delhi, for the award of Research Fellowship for the present investigation.

I am thankful to Dr. D.N. Deobagkar, Mr. S.S. Bartake for their useful suggestions and help. Mr. R.P. Lamdade, Librarian, Government Medical College, Miraj, is also due for my sincere thanks for giving me the library facilities. I am grateful to Dr. S.S. Poulsen and Dr. S. Szabo for their kind co-operation in sending me research articles of my interest.

I would like to record my sincere thanks to my friends and colleagues especially to Mr. R. Jeyapaul, Dr. Mohan Gojer, Mr. B.D. Muragi, Mr. M.V. Santhakumar and Mr. D.B. Mandlik who were helpful to me directly or indirectly.

I am very much grateful to my father Sri. M.Subramaniam Nadar who has been the source of inspiration for my career.

I am also grateful to all my family members; the co-operation rendered by my brother Sri. M.S. Balakrishnan is gratefully acknowledged. I am also indebted to my wife Smt. Raja Bai Thiraviaraj for her co-operation and encouragement.

My sincere thanks are also due to my friends Mr. K.G. Chacko and Mr. S.K. Sutar for photographic assistance and Mr. Ghadage for his skilful typing.

KOLHAPUR.
