LIST OF RESEARCH PAPERS PUBLISHED/ACCEPTED/COMMUNICATED.

1. "On the Spaces of Type $U_{\mu}$ and Weber Transformation",

2. "On the Spaces of Type $T(\lambda,\mu)$ and their Mellin, Watson and Hankel Transforms",

3. "On the Spaces of Type $T(\lambda,\mu)$ and the Product Convolution"

4. "Unsymmetric Fractional Integrals of Generalized Functions",
   Communicated for Publication.

5. "On Unsymmetric Generalized Operators of Fractional Integration",
   Communicated for publication.

6. "Distributional Approach to Inversion of an Integral Transform Related to a General Form of Heat Equation",
   Accepted for Presentation in the 55th Annual Conference of Indian Mathematical Society.

7. "Orthonomal Series and Generalized Functions",
   Communicated for publication.
