ACKNOWLEDGMENT

It is with an overwhelming sense of gratitude that I wish to express my thanks to Dr. (Mrs.) Sheela Longia, MD, Associate Professor, Department of Paediatrics, M.L.B. Medical College, Jhansi, under whose guidance and constant supervision I had the opportunity to carry out this work. She had always been available with ready invaluable suggestions and unending encouragement. Her glaring and enduring edifice of character inspired my efforts to mould this work into a fine illustrated shape to see the light of the day.

Words fail to express my deepest sense of gratitude to Prof. Ramesh Kumar, MD, DCH, Head of the Department of Pediatrics, M.L.B. Medical College, Jhansi for his constant attention and constructive criticism from time to time which have gone a long way towards the successful completion of this study.

I feel highly obliged to Dr. Anil Kaushik, MD, Assistant Professor, Department of Paediatrics, M.L.B. Medical College, Jhansi for expert supervision, invaluable advice and unstinting help at every juncture.

I am highly thankful to Dr. R.S. Sethi, MD, DCH, Assistant Professor, Department of Paediatrics, M.L.B. Medical College, Jhansi who was a ever lasting source of inspiration and knowledge confer me invaluable guidance and advice.
I am highly thankful to Dr. R.L. Verma, Ph.D.,
Associate Professor (Statistics), Department of S.P.M.,
M.L.B. Medical College, Jhansi for able guidance,
invaluable advice and completing the arduous task of
statistical analysis.

I deeply appreciate my colleagues and friends
for their cooperation and criticism that I was constantly
in need of.

I am indebted to my father for his persistent
inspiration and encouragement to perform this work
successfully. I would fail in my duty if don't thank
my wife Dr. (Mrs.) Anju Gupta, MS, for her generous help
at every moment to bring this work to present shape. I
dedicate this work to my mother Late Smt. Nirmala Gupta.

I am sincerely thankful to Sri Phool Chandra
Sachan for his assiduous and skillful typing work for
the present thesis.

I bow my head to infants and their parents who
have formed the material for this study with a hope to
contribute a drop in the vast ocean of present knowledge
on the subject which in the day to come would unchain
the bonds of agony.
