

## ACKNOWLEDGEMENTS

\* I express my deep sense of gratitude to Professor M.S.Prasad, Head, Department of Statistics, for his valuable guidance and constant encouragement provided during the course of this study.

\*\* I owe a great debt to my teachers, Sri.L.S.Unnibhavi, Sri.P.G.Salimath [S.M.High School, Bhusnoor] and Prof.G.B.Sajjan for their help and encouragement. Had it not been for them, I probably would not have been able to complete even my secondary school.

\*\*\* Last, but by no means least, I acknowledge the helpfulness of our teaching and non-teaching colleagues in the Department and Dr.G.H.Patil of Mathematics Department .
