

## ACKNOWLEDGEMENT

*I bow my head in front of Almighty God to help me in completing the entire duration with calmness and peace of mind at NBAGR.*

*The beatitude bliss and euphoria that accompanies the successful completion of any task would not be complete without the expression of appreciation of simple virtue to the people who made it possible, so with deep gratitude I acknowledge all those whose guidance and encouragement has made successful in winding up this opus.*

*I am overwhelmed with rejoice to avail this rare opportunity to evince my profound sense of reverence, humble thanks and everlasting gratitude to my honorable supervisor Prof. P. S. Bisen, Director, Madhav Institute of Technology & Science (MITS), Gwalior, India, for his blessing, eminent guidance, constant encouragement, helping nature, generosity to carryout the research work,*

*A formal line of appreciation would hardly meet the end of justice to record my best regards and large debt gratitude, I owe to my co-supervisor Dr. Dinesh Kumar, Senior Scientist & Incharge of Genes & Genetic Resources Molecular Analysis Lab. NBAGR, Karnal for being guidance, keen and unfading interest, critical appreciation and sustained encouragement during entire period of this investigation. I am fortunate enough to have got the opportunity to work with him and his advice would always be remembered.*

*It's my great pleasure to acknowledge my sincere gratitude profound thanks to my co-supervisor Dr. Vinay Singh Chauhan, Lecturer (Biotechnology), Department of Biotechnology, J.C. Bose Institute of Life science, Bundelkhand University, Jhansi, India, for his able guidance constrictive criticism, unending benevolence, invaluable advice, motivation and keen interest in research have given me a vision to accomplish my assignment.*

*I will never be able to express in words, what I have got from Mr. Prem Prakash Dubey (A smart guy), Mr. Prashant (A very innocent, my younger brother), and Mr. Anubhav Jain (my lovely junior who know how to behave in professional as well as in personal life), Mr. Jaya Kumar (Decent Guy), Mr. Vilas Dongre (A beginner). They have been a constant source of inspiration throughout the duration of my study at NBAGR. I have shared many heavy and light moments with them. My heart will never ever end to sing their praises as they not only a good collogue, juniors, friends but also a symbol of love, kindness and human values.*

*I owe my sincere thanks to senior colleges Dr. B. N. Sahi and Mrs. Geetu Malik for their sustained encouragement, critical monitoring, deep affection, generous help and immense care given the entire course of this study.*

*I would like to thank Dr. P. Kathiravan for his generous help, genial support and appraisal to the basic of the subject of microsatellite data analysis for thesis submission.*

*I register my hearty acknowledgements for Mr. Alok Pandey and Mr. Surjeet Singh, for their lively company, efforts and constant encouragement especially during the last one & half year of my study are worthy of deep acknowledgement.*

*Friends are the most valuable treasure, who help and love without any reservation, during the toughest phase of life. I wish to express my love and affection for my valuable friends Mr. Neeraj Sharma, Mr. Rajkumar Jain, Mrs. Monika Goswami, Ms. Neetu Jain and Mrs. Parul Mathur who have never ever turned me down during my roughest phase. I would also like to acknowledge my Master's Juniors infect my younger brothers/sisters Mr. Kapil Saxena, Mr. Paresh Sharma, Mr. Surendra Parashar, Mr. Mahesh Kaushik, Mr. Madhur Gupta, Mr. Abhineet Goyal, Mrs. Deepshikha Mishra, Mrs. Shalu Jain, Mrs. Suchi Sharma, Mr. Dilip Sharma, Mr. Sanjay Singh Chauhan, Mr. Puneet Gupta, Ms. Deepa Garg, Mr. Ashutosh Sharma, Ms. Meenakshi Sharma, Mr. Sonu Maheshwari and many more who were always more than willing to help me selflessly. I also want to register my special thanks to Mr. Saroj Kumar (IGIB, New Delhi) and Mr. Zakir Khan (Tata Institute of Fundamental Research) without whom help, it would not have been possible for this thesis to see the light of clear day.*

*I am sincerely thankful to former Directors Dr. S.P.S. Ahlawat, Dr. D.K. Sadana, Dr. Gurmej Singh present director Dr. B. K. Joshi & DR. S.C. Gupta of NBAGR for helping me to choose my destiny at NBAGR, Karnal and for the facilities provided for research. The help and contribution of State Animal Husbandry Department, Government of Uttar Pradesh, Kerala and Maharastra in blood sample and data collection from field is gratefully acknowledged.*

*I would like to thank Dr. D. K. Sharma, Head Deptt. of Zoology, Govt. P.G. College, Guna, for their kind help and encouragement entire course of study.*

*I would like to thank Indian Council of Agricultural Research (ICAR) Government of India for providing fellowship for first two years & Council of Scientific and Industrial Research (CSIR), New Delhi, Government of India for providing fellowship for remaining time for completion the Ph. D. work successfully. The Ph.D. research project was supported by grants from Indian Council of Agricultural Research (ICAR), New Delhi, Government of India is duly acknowledged.*

*My dear parents' are my strength and source of inspiration. They have been shown me the purpose of existence today, I shall always remain thankfully indebted to them who sacrificed a lot of things in life for sake of their children and because of whose selfless efforts, endless love; I have been able to achieve my goals.*

*I love to express my deep feelings for my sister, Mrs. Preeti Bala Gour and my lovely brother Kunwar Chandrapal Singh Gour for sharing such strong bond of sisterly/brotherly love and affection during the whole course of study which was the major support to help me to get through difficulties.*

*I also love to express my deep feelings for my beloved wife Dhvani Raghav for her helped me to remember that life is so much more than a microsatellite fragment on a gel.*

*I would like to thank those more than 200 innocent goat animals whose sacrifice panic few ml of blood for this study.*

*I duly extend my thanks to the entire library staff members and other staff members of National bureau of Animal Genetic Resources, Karnal and Bundelkhand University, Jhansi and DNAFU, AGD, AGRD, Director Cell, Administration, Finance section's employees of National Bureau of Animal Genetic Resources, Karnal who ever helped me in any form during my Ph.D. work.*

*Finally, but by no means the least, my sincerest gratitude and appreciation goes to all the individuals and organizations that directly or indirectly assisted me in the completion of this research dissertation.*

**(Dignpal Singh Gour)**
