EXPLANATION OF PLATES
Explanation of plates - Morphotaxonomy of Cestodes.

Figure
a. Scolex with neck (6x10)
b. Rostellar hook (12 x 100)
c. Mature proglottid (1 x 10)
d. T.S. of mature proglottid showing extension of cirrus pouch (5 x 45)
e. Gravid proglottid (1 x 10)

PLATE: 2. Raillietina (Skrjabinia) francoliana n. sp.

Figure
a. Scolex with neck (5 x 45)
b. Rostellar hook (15 x 45)
c. Mature proglottid (5 x 45)
d. Gravid proglottid (5 x 10)
e. Egg capsule (10 x 45)

PLATE: 3. Raillietina (Skrjabinia) jagdishei n. sp.

Figure
a. Scolex with neck (12 x 10)
b. Rostellar hook (12 x 100)
c. Mature proglottid (12 x 10)
d. T.S. of mature proglottid showing extension of cirrus pouch (12 x 45)
e. Gravid proglottid (12 x 10)
PLATE: 4. *Raillietina (Raillietina) lalitpurensis* n. sp.

Figure
a. Scolex with neck (5 x 45)
b. Rostellar hook (10 x 100)
c. Mature proglottid (5 x 45)
d. Gravid proglottid (10 x 10)
e. Egg capsule (10 x 45)

PLATE: 5. *Raillietina (Raillietina) tetragona* (Molin, 1858).

Figure
a. Scolex with neck (5 x 45)
b. Rostellar hook (10 x 100)
c. Mature proglottid (10 x 10)
d. Gravid proglottid (5 x 10)
e. Egg capsule (5 x 45)

PLATE: 6. *Raillietina (Führmannetta) baruasagari* n. sp.

Figure
a. Scolex with neck (12 x 45)
b. Rostellar hook (12 x 100)
c. Mature proglottid (12 x 10)
d. Gravid proglottid (12 x 10)

PLATE: 7. *Raillietina (Führmannetta) jhansiensis* n. sp.

Figure
a. Scolex with neck (12 x 10)
b. Rostellar hook (12 x 100)
c. Mature proglottid (12 x 10)
d. Gravid proglottid (6 x 10)
LIST OF TABLES
List of Tables

Table 1. Range of values of different parasites related to Prevalence, Mean intensity and Relative density in amniote hosts.

Table 2. Host Parasite List – Morphotaxonomical.

Table 3. Host Parasite List – Ecological.

Table 4. Comparison of the present form with Raillietina(Paroniella) culiuana, Tubangui et., Masilungan, 1937.

Table 5. Comparison of the characters of the species closer to Raillietina (Skrjabinia) francoliana, n. sp.

Table 6. Comparison of the characters of the species closer to Raillietina (Skrajabinia) jagdishei, n. sp.

Table 7. Comparison of the characters of the species closer to Raillietina (Raillietina) lalitpurensis, n. sp.

Table 8. Comparison of the characters of the present form with Raillietina (Raillietina) tetragona (Molin, 1858).

Table 9. Comparison of the characters of the species closer to Raillietina (Fuhrmannetta) baruasagari, n. sp.

Table 10. Comparison of the characters of the species closer to Raillietina (Fuhrmannetta) jhansiensis, n. sp.
Table 11. Average Monthwise Variations in Prevalence, Mean intensity and Relative density of Cestode Parasites of Hemidactylus flaviviridis (Male).

Table 12. Average Monthwise Variations in Prevalence, Mean intensity and Relative density of Cestode Parasites of Hemidactylus flaviviridis (Female).

Table 13. Average Monthwise Variations in Prevalence, Mean intensity and Relative density of Trematode Parasites of Hemidactylus flaviviridis (Male).

Table 14. Average Monthwise Variations in Prevalence, Mean intensity and Relative density of Trematode Parasites of Hemidactylus flaviviridis (Female).

Table 15. Average Monthwise Variations in Prevalence, Mean intensity and Relative density of Nematode Parasites of Hemidactylus flaviviridis (Male).

Table 16. Average Monthwise Variations in Prevalence, Mean intensity and Relative density of Nematode Parasites of Hemidactylus flaviviridis (Female).

Table 17. Average Monthwise Variations in Prevalence, Mean intensity and Relative density of Helminth Parasites of Hemidactylus flaviviridis (Male).

Table 18. Average Monthwise Variations in Prevalence, Mean intensity and Relative density of Helminth Parasites of Hemidactylus flaviviridis (Female).
Table 19. Seasonal Variations in Prevalence, Mean intensity and Relative density of Cestode Parasites of *Hemidactylus flaviviridis* in relation to the sex of host.

Table 20. Seasonal Variations in Prevalence, Mean intensity and Relative density of Trematode Parasites of *Hemidactylus flaviviridis* in relation to the sex of host.

Table 21. Seasonal Variations in Prevalence, Mean intensity and Relative density of Nematode Parasites of *Hemidactylus flaviviridis* in relation to the sex of host.

Table 22. Seasonal Variations in Prevalence, Mean intensity and Relative density of Helminth Parasites of *Hemidactylus flaviviridis* in relation to the sex of host.

Table 23. Annual Variations in Prevalence, Mean intensity and Relative density of Cestode Parasites of *Hemidactylus flaviviridis* in relation to the sex of host.

Table 24. Annual Variations in Prevalence, Mean intensity and Relative density of Trematode Parasites of *Hemidactylus flaviviridis* in relation to the sex of host.

Table 25. Annual Variations in Prevalence, Mean intensity and Relative density of Nematode Parasites of *Hemidactylus flaviviridis* in relation to the sex of host.
Table 26. Annual Variations in Prevalence, Mean intensity and Relative density of Helminth Parasites of *Hemidactylus flaviviridis* in relation to the sex of host.

Table 27. Average Monthwise Variations in Prevalence, Mean intensity and Relative density of Cestode Parasites of *Gallus gallus* (Male).

Table 28. Average Monthwise Variations in Prevalence, Mean intensity and Relative density of Cestode Parasites of *Gallus gallus* (Female).

Table 29. Average Monthwise Variations in Prevalence, Mean intensity and Relative density of Trematode Parasites of *Gallus gallus* (Male).

Table 30. Average Monthwise Variations in Prevalence, Mean intensity and Relative density of Trematode Parasites of *Gallus gallus* (Female).

Table 31. Average Monthwise Variations in Prevalence, Mean intensity and Relative density of Nematode Parasites of *Gallus gallus* (Male).

Table 32. Average Monthwise Variations in Prevalence, Mean intensity and Relative density of Nematode Parasites of *Gallus gallus* (Female).

Table 33. Average Monthwise Variations in Prevalence, Mean intensity and Relative density of Helminth Parasites of *Gallus gallus* (Male).

Table 34. Average Monthwise Variations in Prevalence, Mean intensity and Relative density of Helminth Parasites of *Gallus gallus* (Female).
Table 35. Seasonal Variations in Prevalence, Mean intensity and Relative density of Cestode Parasites of *Gallus gallus* in relation to the sex of host.

Table 36. Seasonal Variations in Prevalence, Mean intensity and Relative density of Trematode Parasites of *Gallus gallus* in relation to the sex of host.

Table 37. Seasonal Variations in Prevalence, Mean intensity and Relative density of Nematode Parasites of *Gallus gallus* in relation to the sex of host.

Table 38. Seasonal Variations in Prevalence, Mean intensity and Relative density of Helminth Parasites of *Gallus gallus* in relation to the sex of host.

Table 39. Annual Variations in Prevalence, Mean intensity and Relative density of Cestode Parasites of *Gallus gallus* in relation to the sex of host.

Table 40. Annual Variations in Prevalence, Mean intensity and Relative density of Trematode Parasites of *Gallus gallus* in relation to the sex of host.

Table 41. Annual Variations in Prevalence, Mean intensity and Relative density of Nematode Parasites of *Gallus gallus* in relation to the sex of host.

Table 42. Annual Variations in Prevalence, Mean intensity and Relative density of Helminth Parasites of *Gallus gallus* in relation to the sex of host.

Table 43. Average Monthwise Variations in Prevalence, Mean intensity and Relative density of Cestode Parasites of *Rattus rattus* (Male).
Table 44. Average Monthly Variations in Prevalence, Mean intensity and Relative density of Cestode Parasites of *Rattus rattus* (Female).

Table 45. Average Monthly Variations in Prevalence, Mean intensity and Relative density of Nematode Parasites of *Rattus rattus* (Male).

Table 46. Average Monthly Variations in Prevalence, Mean intensity and Relative density of Nematode Parasites of *Rattus rattus* (Female).

Table 47. Average Monthly Variations in Prevalence, Mean intensity and Relative density of Acanthocephala Parasites of *Rattus rattus* (Male).

Table 48. Average Monthly Variations in Prevalence, Mean intensity and Relative density of Acanthocephala Parasites of *Rattus rattus* (Female).

Table 49. Average Monthly Variations in Prevalence, Mean intensity and Relative density of Helminth Parasites of *Rattus rattus* (Male).

Table 50. Average Monthly Variations in Prevalence, Mean intensity and Relative density of Helminth Parasites of *Rattus rattus* (Female).

Table 51. Seasonal Variations in Prevalence, Mean intensity and Relative density of Cestode Parasites of *Rattus rattus* in relation to the sex of host.

Table 52. Seasonal Variations in Prevalence, Mean intensity and Relative density of Nematode Parasites of *Rattus rattus* in relation to the sex of host.
Table 53. Seasonal Variations in Prevalence, Mean intensity and Relative density of Acanthocephala Parasites of *Rattus rattus* in relation to the sex of host.

Table 54. Seasonal Variations in Prevalence, Mean intensity and Relative density of Helminth Parasites of *Rattus rattus* in relation to the sex of host.

Table 55. Annual Variations in Prevalence, Mean intensity and Relative density of Cestode Parasites of *Rattus rattus* in relation to the sex of host.

Table 56. Annual Variations in Prevalence, Mean intensity and Relative density of Nematode Parasites of *Rattus rattus* in relation to the sex of host.

Table 57. Annual Variations in Prevalence, Mean intensity and Relative density of Acanthocephala Parasites of *Rattus rattus* in relation to the sex of host.

Table 58. Annual Variations in Prevalence, Mean intensity and Relative density of Helminth Parasites of *Rattus rattus* in relation to the sex of host.
