ACKNOWLEDGEMENT

First and foremost, I would like to acknowledge sincere efforts of my learned and esteemed supervisor Prof. G.N. Purohit. He is an icon of determination and hard work, as he has been with me in all difficulties and motivated me throughout the whole process of research. His unending support has been with me from the very start, in choosing the topic and in guiding me patiently on the right path. His unflinching patronage and affection shall remain a cherished memory forever. I feel privileged and grateful to be his Ph.D. student and appreciate all his contribution of time, advice, and valuable suggestions to significantly improve this thesis.

I would like to thank Prof. Aditya Shastri, Vice Chancellor, Banasthali Vidyapith for giving me the permission for pursuing my research work in his university.

I would like to thank Prof. Chitra Purohit, President, Banasthali Vidyapith for giving me the help and support for the completion of this study.

I would like to thank my school time friend Dr. Sunita Choudhary, for giving me valuable time from her busy schedule and suggestions for the improvement of this thesis work. I am always grateful to her.
Throughout my education, I received much inspiration from my family. Faith pride and pleasure of my father Shri Liladhar Maan and my mother Smt. Shravan Devi in my accomplishments sustained me. I thank my parents for nurturing me, for raising me with all their love and huge support and encouragement in everything I do. I am forever grateful to them.

I am always thankful to my father in law Shri Rawat Singh and mother in law Smt. Savita Devi, who has constantly inspired me in my academic endeavors and giving their utmost support in my studies. I am forever grateful to them for their dedicated concern of my future.

I am very much thankful to my husband Dhiraj, for encouraging me for pursuing my education, for always making me smile and reminding me to look on the bright side of life and for exempting me from my obligations.

Last but not least, I am thankful to my kids for their unconditional love and providing tension free time during my research work.

I can never forget the love and affection bestowed on me by my sister in law Niraj, brothers and sisters. Thank you.
