Acknowledgment

I express my profound sense of gratitude in all its humbleness to my guide, Dr. (Mrs.) N.S.Chvan (Mulik), Reader Department of Botany, Shivaji University, Kolhapur. She has remained a perpetual source of inspiration for me. Her command on the subject, keen interest, constant encouragement, suggestions, timely help, convenience and versatility made me possible to finish this piece of work. I shall remember her positive approach, wide thinking devotion towards research as well students, forever.

I am thankful to professor (Dr.) B.A.Karadge, Head Department of Botany, Shivaji University, Kolhapur and former Head, professor (Dr.) L.J.Bhosale for encouragement and providing the necessary facilities. I am thankful to all the professors, Readers and Lecturers in the department for their constant support and encouragement. I am thankful to Dr. M. V. Gokhale for his valuable advice and help during completion of this work.

I am also thankful to technical and non-teaching staff of the department. I should mention the help rendered by all the teacher fellows, research colleagues at each and every step of my research. I am also thankful to staff in CFC and library for their co-operation.

I gratefully acknowledge to B L D E Association’s president, shri M.B.Patil, secretary shri G.K.Patil, administrators Shri S.H.Lagali and shri K.S.Biradar, for their constant encouragement and support. I am thankful to UGC authority, for awarding me fellowship for the completion of my research work under FIP Xth plan.

I am thankful to Principal, Head of the Botany Department, and all my colleagues in the department and college at S.B.Arts and K.C.P.Science College, Bijapur for their support and help during my fellowship.

I am thankful to district authorities who rendered help during present investigation. I am thankful to all the key informants and different authorities in agriculture and other sectors of Bijapur district.

I should mention the encouragement rendered by my mother and all the family members.
