

Certificate

This is to certify that the present thesis entitled “*Synthesis, Characterization and Evaluation of Therapeutic Profile of Hetero ring Substituted s-Triazine Derivatives*” submitted by *Ms. Anupama Kumari* for awarding degree of Doctor of Philosophy in Chemistry at Banasthali Vidyapith, Banasthali (Rajasthan), India is an original piece of research work and record of a bonafide investigation carried out by her in my supervision and guidance. To my knowledge, no part of this study has so far been presented or published for any degree in any institution in India or abroad.

I recommend the submission of the thesis of *Ms. Anupama Kumari* for the award awarding degree of the Doctor of Philosophy in Chemistry from the Vidyapith.
