

Acknowledgements

*I begin with a humble expression of my deep respect to supreme power of this universe “**Lord Shiva**” & “**Vaishno Mata**” with my obeisance to them whose protective hands over my bowed head proved the sustaining and enlivening blessings.*

Research is one of the most significant academic works and has many challenges which a researcher faces during his/her entire research time. During this period, I came across a number of generous and inspiring persons, whose unconditional support and guidance for the research and writing of this thesis deserved a special mention. Through this thesis, I would like to acknowledge my deepest regards and thanks to all these persons from bottom of my heart.

*I would like to express my profound sense of gratitude to the former President **Prof. (Late) Diwakar Shastri**, present President **Prof. Chitra Purohit**, and Vice-Chancellor of the Vidyapith **Prof. Aditya Shastri** and Pro Vice Chancellor of the University **Prof. Ina Shastri** for providing me an opportunity to carry out research work at this prestigious Institute of National and International fame.*

*With deep regards and overwhelming sense of pride, I express my sincere, heartfelt and reverential gratitude to **Prof. D. Kishore**, Officiating Secretary & Dean Administration, Banasthali Vidyapith for his excellent guidance, expertise, patience, kindness, encouragement and thoughtful guidance.*

I would like to give my sincere thanks to the Director, Sophisticated Analytical Instrumentation Facility (SAIF), Panjab University, Chandigarh for enabling me to obtain analytical and spectral data of compounds at a highly subsidized rate. I am also thankful to the Director, Pinnacle Biomedical Research Institute (PBRI), Bhopal for helping me in finding out the Anti-inflammatory activity of the compounds.

Conducting research work in a multi-disciplinary area, is not an easy task. It requires support & guidance of the expert faculty members. Therefore, I begin with

*a humble expression of my profound gratitude to all my respected teachers **Prof. D. Kishore, Prof. Sudha Shastri, Dr. Jaya Dwivedi, Dr. Dinesh Kumar, Dr. Sudhanshu Sharma, Dr. Sudesh Kumar, Dr. Swapnil Sharma, Dr. Manish Srivastava, Dr. Rajani Chauhan, Dr. Kavita Punia & Dr. Sonika Jain** for their guidance and blessings which they bestowed upon me through a long and thorny path of acquiring knowledge.*

*In experimental science like Chemistry, laboratory facilities are also indispensable part to carry out successful research work. I am highly thankful to all laboratory assistants **Sh. K.L. Lunia, Sh. Vishnu Sharma, Sh. Birbal Luniwal, Sh. Vinod Sharma, Sh. Alok Sharma, Sh. Suresh Sharma, and Sh. Mool Singh** for their help, goodwill and co-operation which they have extended in providing the laboratory facility to me. I express my deep sense to all the lab attendants **Sh. Lallu Das Swami, Sh. Ramdhan, Sh. Sunil, Sh. Mukesh and Sh. Rajesh** for their assistance in all the phases of laboratory work.*

*I wish to convey my humble feelings of respect to my parents **Sh. Sahvir Singh and Smt .Nehpal kaur** for their affection, care, inspiration, and constant encouragement which I obtained from them to pursue higher studies. They are always with me in all phases of life. Their teachings and blessings have always been there to me in the journey of my life. In fact, I am in short of words for their contribution in shaping my life, forgiving me for all my mistakes and providing guidance & support in all phases of life.*

*In an ecstasy of life, I trap the finer moments to record a deep sense of appreciation to my husband **Virendra Singh** for his unstinted support in the work. His best wishes & cooperation helped me a lot to carry out this research work with courage and strong determination. I also wish to say thanks to my lovable little kids "**Aaryan Singh & Shaurya Singh**" for their support and love. Without their support it was an impossible task.*

*I would like to share this pleasure with my younger Brother "**Anuj Sidhu**" who stood by me in all the difficult times and have always been there whenever I needed him.*

*I also wish to give my regards and thanks to **Sh. S. L. Arora** (President, Aristo Chemicals Pvt. Ltd.) & **Prof. Sanjay Biyani** (Director, Biyani Group of Colleges) for their continuous support, encouragement & guidance to carry out this task effectively.*

*My heartiest thank to all my friends **Iram Khan, Anu Tyagi, Aruna Sharma, Sarita Balyan, Nidhi Jain, Aastha Pareek, Anshu Pasashar, Vandana Singh & Shweta** for their constant encouragement.*

*I take this opportunity to give my sincere thanks to some of my closest friends **Dr. Tripti Agarwal, Dr. Aparna Dixit, Nandita Sarsar, Ekta Sharma, Sunil Melda, Pragya Dhakad** who always stood by me for help and provided their moral support no matter what.*

I take this opportunity to express my heartiest thanks to all research scholars of chemistry, pharmacy and Bioscience & Biotechnology for their co-operation to carry out my research work and for providing me moral support when my morale ebbed.

I am also thankful to Titu Thesis Centre for giving a presentable look to this research work as thesis format.

Last but not the least, I would like to thank all those professors, scientists, technician, scholars and rest of the persons in my life who belongs to my family and my Village & who have helped me directly or indirectly for the success of this work.

(Anupama Kumari)
