APPENDICES
Paper published:

Conferences Attended:

- **International Pharmaceutical conference- 2015 on “Nanoformulations and transitional research: Small getting Bigger” Feb 02-03 2015 organized by Department of pharmaceutical sciences BBAU Lucknow – 226025.**
  
  1st Best poster award
  
  Toxicological evaluation of folic acid conjugated gliadin nanoparticles for specific folate receptor mediated cell uptake and their characterization in colon cancer.
  

  

- **“Recent developments in pharmaceutical analysis (PBA 2013) 30 June - 3 July, 2013, Bologna, Italy.**
  
  
  
  Poster number-P2-51
  2. “Preparation, optimization and its evaluation of oil in water nanoemulsion by low energy emulsification method for antimalarial drug: Arteether”.
  
  
  Poster number-P2-50.

- **“Third Euro-India international conference on nanomedicine and tissue engineering” August 9-11, 2013 in Kottayam, Kerala, India.**
  
  3. Toxicological evaluation and Targeting Tumor Cells through Folic Acid modified Guar Gum Nanoparticles of curcumin.
  
Poster number-5.

4. Preparation and characterization of solid lipid nanoparticles of antimalarial drug: Arteether for oral administration.
   Poster number-6.

- **13th APTI Annual National convection-2008. October 3-4, 2008, Bilaspur**
  **IInd Best poster award**

- **5th International Symposium on Drug Development for Orphan/ Neglected Diseases at the 26th to 28th Feb Year CSIR-CDRI, Lucknow.**
  Anticancer Drug-loaded Gliadin Nanoparticles for delivery to cancer cells
  Names: Renuka Khatik, Vijay bhaskar reddy and A.K.Dwivedi

- **Participated in workshop on scientific/research paper writing on the national academy of sciences, Time Udaipur Raj.**
