ACKNOWLEDGEMENT
I was eagerly waiting for the day to express my heartstrings about Dr. T.M. Patil. I consider myself as extremely fortunate to have worked under him, during the course of my research. He is a very grand source of guidance and inspiration to me, who has been a continuous source of new ideas, logical development of understanding and new inspirations. My words fall short to express my feelings. His constant encouragement and valuable guidance in the task are greatly responsible for inspiring me to complete this piece of work.

I sincerely acknowledge with gratitude to Dr. P.D. Chavan, Professor and Head, Department of Botany, Shivaji University, Kolhapur for his unstinting help and encouragement, critical suggestions and providing necessary research facilities.

I have been benefited to a great extent by the valuable suggestions and thought provoking discussion with Prof. B.A. Hegade, former Head, Department of Botany, Shivaji University Kolhapur. My thanks are also due to Prof. S.N. Pawar for his constant encouragement.

I express my deep sense of indebtedness and gratitude to the Hon’ble Dr. Patangrao Kadam, Founder-Chancellor, Bharati Vidyapeeth Deemed University, Pune and Minister of Industry and Commerce (M.S.) and his motivating and non-tiring force Sou. Vijaymala Kadam, as they have been a great source of inspiration. My deep thanks and appreciation is reserved for Dr. Shivajirao Kadam, Pro Vice-Chancellor, Bharati Vidyapeeth Deemed University, Pune whose goodwill and inspiration far exceed, what words of appreciation can express. I am highly grateful to well versed and ever enthusiastic Mr. Vishwajeet Kadam, Joint Secretary, Bharati Vidyapeeth, Pune for his continuous support and encouragement in my work.

I express my sincere and honest gratitude to Principal K.D. Jadhav, Yashwantrao Mohite College, Pune for providing me required facilities. It is my solemn duty to thank Dr. T.N. More, Head of Botany Department, Yashwantrao Mohite College Pune, for initiating me to do the research work. I am also thankful to Dr. S.R. Patil for his help and encouragement.

My sincere thanks are also due to all the teaching and non-teaching staff of Botany Department for their kind co-operation in completion of this work. Technical help rendered by Dr. (Mrs.) Sheela Fernandis-Gaikwad is gratefully acknowledged. I also take this opportunity to
express my sincere thanks to uncle Mr. N.M. Pillai and Prof. (Mrs.) M.M. Pillai, Department of Zoology, Shivaji University, Kolhapur, for helping me and my family in all respect.

This work of mine owes a lot of gratitude to all my family members and relatives, for their co-operation, inspiration and moral support. I also wish to express my sense of gratitude to Mrs. Swati Patil for the cordial treatment extended to me.

It would be ungracious if I do not acknowledge Shri Vinay Gosavi, Shri M.R. Deshmukh, Shri P.V. Bhosale and Navrang Printing Press, Kolhapur for their skill of typing, photography, tracing, printing and binding the thesis respectively.

I will be failing in my duty if I do not extend my thanks to beloved wife Mrs. Sushama, son Ranjitsinh and daughter Rajvardhini who kept me free from all the family problems.

Last but not the least I would like to offer my appreciation and sincere thanks to all my colleagues, friends and well wishers for their ever willing assistance.

Kolhapur
Date: \( g \) \( 12 \) 2002

Shri Sunil G. Pawar
