Acknowledgement

It has been fortune to have been associated with Dr. P. P. Hankare, as my research guide and supervisor during the course of study. He has been continuous source and spirit of inspiration in the problem concerned and but for this the present thesis would never have been possible. Hence it is my bounden duty to offer my gratefulness to him for having taken deep interest in this great pursuit of my present investigation.

I am very much indebted to Prof. K. J. Patil, the Head of the Department of Chemistry, Shivaji University, Kolhapur. For providing me all the facilities and encouragement during the course of research work.

I sincerely acknowledge Prof. R. B. Mane, Dr. M. B. Deshmukh, Dr. U. V. Desai, Dr. M.A. Anuse, Dr. P. N. Bhosale, Dr. B. S. Mohite, Dr. S. N. Deshmukh Dr. S. R. Patil and other members of teaching and non-teaching staff of Chemistry Department for their constant help, valuable suggestion by extending the laboratory facilities in this enterprise.

It is my pleasure to acknowledge, the U.G.C. New Delhi for the award of fellowship, the authorities of Regional Office, Pune for their help extended to me to continue my higher studies.

I express my thanks to our former Principal, Prof. V. B. Sayanakar and the present Principal, Prof. S. S. Patil and Prof. E. B. Pathan, Head, Department of Chemistry, K. B. P. College, Urun-Islampur, my colleagues Prof. J. K. Patil, Dr. R. L. Rajgolkar,
Prof. S. A. Kamble, Dr. D. R. Kharade and the staff of my college for their kind cooperation throughout the period.

I wish to place on record my deep sense of gratitude to all teachers, who inspired me to climb up the ladder of higher education in my career.

At this juncture, I gratefully acknowledge the moral support and the help extended by my research colleagues, Dr. K. M. Garadkar, Dr. Mrs. P. S. Battase, Mr. A. D. Jadhav, Mr. A. H. Jagtap, Mr. L. V. Gavali, Mr. V. M. Bhuse and Miss S. R. Naravane in the Department of Chemistry, Shivaji University, Kolhapur.

I remember with gratitude the blessings of my parents Smt. Sonabai and Shri. Shamrao Chavan, who have been a constant life-stream of energy in contributing a little to the development of Science. I will be failing in my duties if I do not remember the encouragement love and affection extended by Smt. Gayatri and Shri. Ashokrao Kadam who are my in-law in completing the present task. My brother Rajendra and sisters Jayasthri and Shobha and other family members were the constant source of inspiration in this great undertaking.

A lot of credit goes to Mrs. Priyadarshini, my wife and Kum. Sharvaree, My daughter, whose love and patience has always been my greatest strength, without whose support this endeavor could not have been completed.

Sanjay S. Chavan
