ACKNOWLEDGEMENT

First of all, I would like to thank Almighty God for providing me with all that I could ask for and more.

It gives me immense pleasure to express my deep sense of gratitude towards my respected Guide Dr. B. S. Kuchekar. I am very much thankful to him for his valuable guidance, encouragement, moral support during the entire period of this research work. He has been a main source of inspiration to complete this work successfully.

I am grateful to Dr. S. B. Bhise, Principal, Government College of Pharmacy, Karad who was kind enough to extend all facilities throughout the course of this study and providing a congenial environment. I am also thankful to the teaching and non-teaching staff members of Government College of Pharmacy, Karad for their help and co-operation.

I am grateful to Principal D. D. Chougule, Dr. C. S. Magdhum and Dr. H. N. More for their constant support and continuous co-operation which inspired me to undertake this work.

I am also thankful to Prof. M. T. Karad, Executive Director MIT group of Institutes of Pune and the management of Maharashtra Academy of Engineering and Educational Research, Pune for providing me an opportunity to undertake present research work. I am also thankful to the members of teaching and non-teaching faculty of Maharashtra Institute of Pharmacy, Pune.

I am very much thankful to Dr. P. D. Lokhande, Department of Chemistry, University of Pune for his constant valuable support, encouragement to complete this research work. I am also thankful to other faculty members of same department Dr. M. D. Nikalje, Dr. K. R. Gawai, Dr. K. M. Kodam for their valuable suggestions.

I greatly acknowledge the help provided by Dr. A. V. Yadav for his constantly attentive attitude towards me during my entire research work leading to Ph. D. I am also thankful to Dr. I. D. Gonjari, Dr. Avinash
Hosmani, Mr. S. P. Boldhane, Prof. P. M. Mahaparale, Prof. J. N. Sangshetti, Prof. M. N. Qureshi, Prof. K. B. Burade, Prof. Yogsh Pore, Prof. Minal Nehete, Prof B.S. Dhaware for their suggestions and moral support during the entire research work. I am also thankful to Dr. C. G. Raut and his team for their co-operation, encouraging suggestions, genuine interest and timely suggestion during this research work.

I also heartily acknowledge the help rendered to me by Prof. A. R. Chabukswar during my project.

I am also thankful to Mrs. S.B. Kuchekar for her care and moral support to complete the work in time.

It's my pleasure to acknowledge the cooperation and help provided by Mr. More and Smt. S. S. Khanvilkar, PG, BUTR, Shivaji University.

I also heartily acknowledge the help rendered to me by my friends and well wishers.

My vocabulary falls short to express my gratitude towards my parents and my sisters Sonali and Reshma who always gave me moral support and invaluable inputs whenever, I needed it the most. My parents have always stood by my decisions and provided me all the resources even in difficult times to help me to achieve my goals and realize my dreams.
