Acknowledgement

I wish to express my sincere regards and deep sense of gratitude to my guide hon’ble Dr. K.M. Kulkarni, Joint Director, Higher Education, Amravati Division, Amravati under whose guidance the present work has been carried out. I am indebted for his constant encouragement and valuable suggestions throughout the course of my study in spite of his multifarious academic and college pursuits. The present researcher has no hesitation to confess that without his keen interest his study would have not seen the light of the day.

I am grateful to Dr. V.S. Soitkar, Principle, Govt. Vidarbha Institute of Science and Humanities, Amravati. I am especially grateful to Dr. Mrs. Mangala Kulkarni and Malhar Pangrikar for the consideration and patience shown by bearing and time visits, disturbance and inconvenience with smiling face.

I am also thankful to Prof. Santosh Pawar, Prof. I.A. Raja, Prof. Baig, and Prof. Mrs. Zade for giving co-operation during this research project.

I wish to convey my heartiest thanks to my colleagues Ms. Rashmi Chaudhari, Ms. Archana Pawar and Mr. Pravin Joshi for their kind co-operation.

I also wish to thank to librarians of P.K.V., Akola, G.V. I. S.H., Amravati for making available a wide range of books and periodicals they extended during my visits to the library.
I also wish to thank Dr. Manekar, Mr. Bhosle and Mr. Kanajkar, Technician, Electron Microscopy Division, Jaslok Hospital and Research centre, Mumbai, for their quick and timely help during this electron microscopy study.

I am also thankful to Dr. Ulhas Sangai for the timely help he has provided during laboratory work.

I have no words and quite overwhelmed while expressing my thanks towards my father Shri. Vijay Chakote, my mother Smt. Meena Chakote and brother Bhusan Chakote who have taken pains and have gone out their way for completion of my long awaited dream. I am very much thankful to Mr. Sandeep Raut and Mrs. Reetu Raut, Suyog Joshi and Nilesh Pahurkar for their help and encouragement.

I express sincere feelings to my husband Mr. Mangesh Paturkar for the emotional and moral support and my in laws for understanding my needs during the completion of this research work.

I am very much thankful to Mr. U.D Tare, for crystalising my research thought in words and designing and shaping the manuscript with computer application.

Ms. K.V. Chakote
