ACKNOWLEDGEMENT

"Gratitude makes sense of our past, brings peace for today, and creates a vision for tomorrow"

It is always a pleasure to convey my gratitude to a great number of people in my humble acknowledgment whose contribution in many ways helped me in my research and made this thesis possible.

First and foremost I would like to record my gratitude to my mentor Dr.R.R.Bhonde for his supervision, advice, and guidance from the very early stage of this research as well as giving me extraordinary experiences throughout the work. Above all and the most needed, he provided me unflinching encouragement and support in various ways. His truly scientist intuition has made him an constant oasis of ideas and passions in science, which exceptionally inspire and enrich my growth as student, a researcher and a better human being I want to be. I am indebted to him more than he knows. One simply could not wish for a better or friendlier supervisor.

I gratefully acknowledge the encouragement, advice and support of Padmashri Dr.G.C.Mishri Director NCCS. Sir, you are a constant source of encouragement and “we” will definitely keep in mind all your suggestions and follow the pearls of wisdom you bestowed on us. I will always remember you passion for science and the “Vishnu to pacify Shiva concept”.

It is always a pleasure to interact with Dr. Prabha Nair for she is a world class researcher with great passion towards science. Madam, you advise and suggestions have always guided me to take good decisions in life. I hope to keep up our collaboration in the future.

It is a delight to be associated with Dr.Anand Hardikar for his ever helping nature and great rigor and passion towards science.

I gratefully thank Dr.V.Sheshadri and Dr.M.R.Wani for their advice and support as my thesis committee members. Special thanks to Dr. M.S.Patole for all his administrative help. Many thanks to Dr.Sanjeev Gandel and his group for all their help and support.

I would like to specially thank Dr. Ramanmurti and the entire animal house staff for their kind assistance and cooperation during the tenure of this work. Many thanks to Dr.Shouche and group for the real time PCR facility which forms a major part of my research work.

I would like to take this opportunity to thank Mr. Basutkar (Washing and Packing), Mrs. Ashwini Atri (Confocal Microscopy), Hemangini, Swapnil (special thanks for technical help in acquiring samples) an Pratibha (FACS), Mrs. Rajastree Patwardhan (Computer section), Mr. Nema and Panse madam (Library) Anjali (cell repository and Media section) and Prasad sir, Kovitha madam and his entire staff of academic section. I would also like to thank the staff of Administration, Stores, Accounts, etc. Maintenance for their timely help.

I would like to acknowledge Mrs.Malati Umrani for teaching me the first lessons of animal tissue culture and for all her help and support during the course of my tenure.

Special thanks to Dr.Mrs.Kale, Dr.Mrs.Limaye and Dr. S.A.Bapat for all their cooperation and timely help.

Many thanks to my seniors, Meenal, Ruchi, Meghana, Ravi bhaiya and Datar madam for all their help and support. I delightfully acknowledge the wonderful time I had with my colleagues, Smruti (thanks

for being such a wonderful person and all the help), Sachin and Vikash. In my daily work I have been blessed with a friendly and cheerful group of fellow lab mates Sreekumar, Sangeeta, George sir (thanks for all the food and cakes!), Anjali, Raj, Monica, Roli, Namrata, Namrata, Neeti, Vasudha, Kavita, Ashwini, Anuradha, Nikhat, Avinash and Mohan.

Special thanks to Amaresh, Mugdha, Shubhedar and Saroj sir for timely help and support.

Special thanks to my friends Neeru, Anjali (I will always cherish our cooking sessions), Sunita, Anchal, Mukesh, Kamal, Praveena (thanks for all the wonderful books), Dimple, Shiny, Ranveer, Senthil, Vasundhara, Sandeep and Sruthi. It is my pleasure to thank my room mate Shalini di for being such a sweet and understanding person. I enjoyed our stay together and cherish those night long discussions. Many thanks to you, for all your understanding and love. Special thanks to Amrutesh and Yogita for all their help during crucial time in my personal life.

I fondly remember and acknowledge Dr. Mrs. Tara, Dr. Mary Kutty, Dr. Sister Tessa, and Sister Mary Ann for instilling in me the passion for science and research in particular in the early days of my studies. I gratefully acknowledge the love and support of my dear teachers Dr. I.S. Bright Singh, Dr. A. Mohandas and Dr. Suguna Yesodharan.

I wish to acknowledge University Grant Commission (UGC), India for the fellowship during the tenure of this work.

Words fail me to express my appreciation to my husband Vikash whose dedication, love and persistent confidence in me, has taken the load off my shoulder. I owe him for being lovingly let his intelligence, passions, and ambitions merge with mine. Thank you for being what you are. You are my world. Many thanks to my in-laws (mi and papa) for warmly accepting me into their family. Your love and prayers mean the world to me. To my best friend Blu, for all your support. Thank you for being there for me always. Many thanks to Julidi, Pinki and family for their unconditional love and prayers.

Special mention to my parents and younger brother, Swaran who always believed in me and stood by me in my decisions. I owe my life to them. Thank you for all the love, blessings and care. Many a thanks to grandpa, aunty, anna my cousins and my uncle Dr. Vinod from whom the love for science budded in me. Special thanks to Balu uncle and Indira aunty for all your help and support. Thanks to all my relatives and friends for all the love and care.

"Thanks to the LORD, for he is good; his love endures forever, his mercy is everlasting; and his truth endureth to all generations"
