Abstract v-vii

Chapter 1 : Antimicrobial, plasmid curing and other medicinal properties of root extracts of Plumbago zeylanica (Chitraka): A review. 1-37
Chapter 2 : Introduction. 38-50
Chapter 3 : Incidence and prevalence of antibiotic resistant Acinetobacter and other nosocomial pathogens in intensive care unit. 51-76
Chapter 4 : Bioassay guided fractionation of Plumbago zeylanica root extracts displaying antimicrobial and plasmid curing activities. 77-95
Chapter 5 : Isolation and purification of active antimicrobial and plasmid curing agent from Plumbago zeylanica. 96-108
Chapter 6 : Antimicrobial, Plasmid curing and other bio activities of 2-hydroxy-1,4-naphthoquinone purified from roots of Plumbago zeylanica. 109-129
Chapter 7 : Concluding remarks. 130-133
