

ACKNOWLEDGEMENT

First of all with bottom of my heart, I offer my heartfelt devotion to the “Almighty God” for this sacred blessing bestowed on me.

The title Doctor of Philosophy is one of the hardest earned of all those we strive for and it carries with it a sense of satisfaction and achievement not easily matched. But to reach this destination there is commutative energy of many people whose proper guidance channelized my efforts by giving their valuable directions.

I take this opportunity to express my sincere and deepest sense of gratitude to my mentor **Prof. Syed Qamar Abbas**, Director, Ambalika Institute of Management & Technology, Lucknow. I have no words to express my profound sense of gratitude to his most invaluable suggestions, fruitful discussions, constant supervision, magnificent guidance, constant encouragement and keen interest for this research work.

I also express my sincere thanks to **Dr. Rizwan Beg**, Head of computer science department of Integral University, Lucknow for helping me and facilitating me with all the resources required to complete this work. It would never have been possible for me to take this work to completion without his incredible support and encouragement.

I am thankful to the administration of Integral University, Lucknow for providing me the comfortable setup for this research work.

I am thankful to my brother **Mr. Zafar Ahmed (Advocate)** and **Ms. Ranjana Rajnish** for their co-operation at every step.

Words fall short to convey my emotional sentiments from the softest corner of my heart to **my parents** and **sisters** for constantly supporting me and being always been on my side whenever I need their help.

I express my sincere thanks to my family members and all friends especially **Dr. Parul Verma** and **Dr.Pankaj Kumar** who helped me and supported me at many times.
