Acknowledgement

It is with great pleasure that I wish to express my heartiest sense of gratitude to Prof. Ramendu Bhattacharjee for his ardent supervision and guidance on this work. I am grateful for his constant encouragement, advice and help without which this work would have not been possible.

I am also expressing my heartfelt gratitude to Dr. Nirmal kumar Sarkar for his guidance, encouragement, and valuable suggestion throughout the research work which help a lot for achieving the endeavor.

I am thankful to Prof. Tapadhir Bhattacharjee, Hon’ble Vice Chancellor, Assam university, Silchar, for providing a good and conducive academic environment during my Ph. D. work.

Further I am grateful to Prof. Devajyoti Biswas, Dean, Albert Einstein School of Physical Sciences and Prof. A.K. Sen, Head, Dept. of Physics, Assam University for their kind support and providing necessary cooperation for this study.

I also wish to thank Dr. Himadri Sekhar Das, Dr. B. Indrajit Sharma and Dr. Atri Desmukh, Dr. S. S. Nath and all other faculty members of Dept. of Physics, Assam University, Silchar, for their moral support and continuous inspiration throughout my Ph. D. work.

I also wish to thank Dr. Joydip Choudhury for his valuable cooperation, encouragement and providing useful materials which help a lot in my research work.

It is my proud privilege to thank Mr. Rupam Sen, Mr. Ashim Kalyan, Dept. of Physics, Srikrishna Sarda College, Hailakandi and Mr. Pritibhajan Byakti, SRF, Saha Institute of Nuclear Physics, Kolkata (SINP) for their enviable cooperation, mental inspiration for their immense and diligent aids through pen and paper works in solving various intricate mathematical steps.

I am thankful to my fellow young researcher Subha Gaurab Roy for his kind cooperation for various purposes throughout this work.
I am also grateful to the Director of higher education, Govt. of Tripura, for encouragement and providing me no objection certificate for pursuing my research work.

I must thank to former Principal Dr. Prantosh Roy, former Principal-In-Charge Dr. Santi Rekha Sinha as well as Dr. Sambhunath Rakshit, Principal, Government Degree College, Dharmanagar for their extended support and encouragement for carrying out this work.

I am deeply thankful to my fellow colleagues namely Dr. Surajit Chakroborty, Dr. Ranendra Ch. Nath, Sri Rupajit Das, Dr. Subhadip Paul, Dr. Suman Adhikari and Sri Bijon Deb for their extended cooperation and providing me valuable research materials.

I acknowledge Mr. Subrata Bhattacharjee, Mr. Sibasish Bhattacharjee and Mrs. Sarmistha Deb for providing laboratory accessories.

I am also thankful to my friends Dr. Sujit Ranjan Das, Dr. Gautam Bhattacharjee, Sri Uttam Deb, Sri Bidhu Kanti Das, Sri Jayanta Saha, Sri Abhijit Dutta and Sri Probal Kumar Chowdhury for their encouragement and moral support.

I am thankful to all the teaching and non-teaching staffs of the Dept. of Physics, Assam University, Silchar for providing necessary cooperation for this study.

This column remains incomplete if I forget to acknowledge the help and encouragement of my family members in the process of the work.

At last but not the least, I am very much thankful to Assam University, Silchar, for providing me necessary facilities to carry out the research work.

Date: 01/03/2012.
Place: Assam University, Silchar
