ACKNOWLEDGEMENTS

Words almost fail me to express my tremendous debt of gratitude to my Supervisor Dr. M.N. Panini for his guidance, constructive criticism and encouragement at every stage.

I am thankful to the Indian Council of Social Science Research for awarding me the short term teacher fellowship for nine months in the year 1982-83 to enable me to carry out my field work.

I also render due thanks to the Bureau of His Holiness the Dalai Lama in Delhi for providing me the necessary help.

Lastly, I am thankful to Pardeep Kumar Bhalla for helping me in completing this thesis.
