ACKNOWLEDGEMENTS

There are so many people, whose support, encouragement & inspiration are very much essential to accomplish major achievements in life, especially, if it involves the elements of fulfilling one’s cherished dreams. For me, this thesis is such an important destiny & I am indeed, indebted to lot of people for their well wishes & blessings, for completing this journey.

I would like to take this opportunity first, to pay my sincere admiration to my research guide, Prof. A. Venkateswara Rao, whose motivation, inspiration, encouragement and persistent guidance have lead me to bring my dream to reality. During my Ph.D. course, he gave the good and shining shape to my carrier not only in research field but also in thinking and attitude towards life, in general. I must also mention that he is a very good teacher in Physics and a wonderful research guide, which is often quite rare.

I am thankful to Prof. N. J. Pawar (Vice-Chancellor), Shivaji University, Kolhapur, who has been very helpful in extending the infrastructural facilities to me.

I would like to extend my appreciation and thanks to Prof. C. H. Bhosale, Head of the Physics department, Prof. C. D. Lokhande, Dr. P.S.Patil for giving moral support and valuable discussion. I am indebted to, Dr. V. J. Fulari, Dr. A. K. Sharma, Dr. K. Y. Rajpure, Dr. R. S. Vhatkar, Dr. S. D. Lotke, Dr.(Mrs). Vijaya Puri and Dr. A. V. Moholkar for their fruitful discussions and valuable suggestions during the course of the work.

I am especially thankful to Dr.(Mrs.) A. Parvathy Rao for her valuable help, suggestions and advice in carrying out my research work, during the course. I am grateful to Dr. P.B. Wagh (BARC) for his fruitful suggestions during my research work. I thanks to Mr. Dinesh, Mr. Mahendra, Dr. Satish Mahadik, Mrs. Pratibha Mane, Mr. Abhijit for their kind help and fruitful discussions to peak up the speed in the research work.

I sincerely appreciate the help rendered by Dr. H.D.Dhaygude, Dr. M.V.Takale, Dr. Deepak, Dr. S.S. Shinde, Mr. S.V. Kamat, Mr. Abhijit Mulik, Mr. Ranjit Patil, Mr. Anna Gurav and all other research scholars in the physics department. I also thankful to my friends Dada, Nana, Sachin, Rani, , Bebi, Nanda, Bhu, Ganesh, Anil, Maruti, Jayashri, Datta for their moral support during the work. I am grateful to all my research colleagues and all research scholars of the Physics department for their constant encouragement and valuable suggestions during research work. I also like to extend my thanks to all my friends and Varsha, Pandurang, Sneha, Vaibhav, Prashant, Imran, Yogesh, Amol and all my juniors who helped me with all possible ways during my work.
The thanks are reserved to the Department of Physics, Shivaji University, Kolhapur for awarding the Teaching assistant and Research assistant (under DST-PURSE) during the course of my work.

I express my special thanks to non-teaching staff Mr. P.R. Chougale, Mr. Upadhye, Mr. R. D. Nalawade, Department of Physics, Shivaji University, Kolhapur for helping during the work.

I also thanks my sister Smita, my daji Uday and all family members and relatives for moral support and constant encouragement without whom, my work would not have seen the light of day.

Lastly but not least, I take opportunity to dedicate the thesis to my Grandmother, Mother (Aai) and Father (Baba) whose love and affection towards me has been source of my inspiration.
