Acknowledgement

It gives me immense pleasure to acknowledge my deep sense of gratitude to all those who contributed enormously in shaping up this dissertation.

Words would be inadequate to express the magnanimous generosity of my dearest supervisor, Dr. S. K. Singh, Principal Scientist, Pharmacokinetics & Metabolism Division, who has nurtured and molded me during my research life into an independent worker. It is due to his deft and patient steering of bench work, patronage and keen interest in all my endeavors that I could feel the fabulous experience of research life. His beguiling suggestions and scientific temperament were of great help, which motivated me to learn more and develop intensive logical reasoning. His suggestions will remain with me as an inexhaustible source of scientific learning throughout my life. I feel greatly indebted and proud to have done my work under him, who always strives for perfection in his work.

I am highly thankful to my Co-supervisor Prof. Hefazat Hussain Siddiqui, Advisor to VC, Faculty of Pharmacy, Integral University, Lucknow for his support, guidance and constant engorgement.

I am highly obliged to Dr. G. K. Jain, Dr. Jawahar Lal, Dr. R. S. Bhatta and Dr. J. R. Gayen for their support, constant encouragements, and ever helping mentality.

I am thankful from the bottom of my heart to Dr. S. K. Rath, Dr. C. Nath, Dr. S. K. Puri and Dr. Naibedya Chattopadhyay and for their generous help during my thesis work. Their help at many crucial junctures was great and need special mention. I would not have completed anything without their help and support.

I would like to express my sincere thanks to my dear friends Shilu, Siva Rama Raju, Isha, Sumit, Varish, Madhuranjan, Ranajit, Kashif, Prem, Anand, Sripathi, Himanshu, Santosh, Swathi, Shakti and Komal, Amreen, Garima, Asad, Tejaswni, Divyesh, Shiny, Saba, Hussain, Nagsen, Hari Narayan, Nida and Anubhuti for having been extremely supportive throughout the tenure.

I am thankful to Mr. S. K. Pandey, Mr. Narendra Kumar and Mr. Akhilesh for their ever helping mentality. I express my sincere gratitude to Mr. K. Rai of Laboratory Animal Services Division for timely providing animals for our studies.
My sincere thanks to Sunder lal, Chandramani, Rambhajan, Shiv Lal and Nandita ji for their help and co-operation.

I am highly thankful to my wonderful friends Durga (DP), Praveen, Sarika, Smrati and Nasreen who made my Ph.D programme here memorable.

My earnest thanks to Dr. T. K. Chakraborty, Director CDRI for their constant encouragement and providing all the facilities for this work.

I sincerely acknowledge the financial support provided by Council of Scientific and Industrial Research to me during this project which enabled me to carry out my work smoothly.

I express my infinite gratitude to my family for their blessings and support throughout my efforts. Their love, understanding, care and blessings at all junctures have encouraged me wholeheartedly to pursue my research life.

Last but not the least I owe all the credit of my work to the silent sacrifice of those animals I used and will be using in future.
