

APPENDIX 1

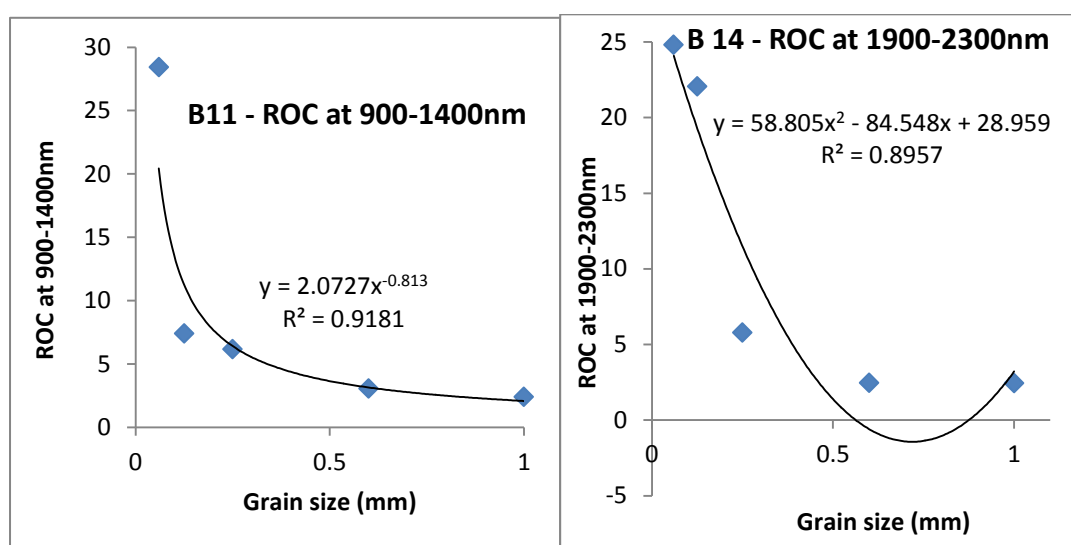

Spectral curve of beach sand (B 11) with texture variation

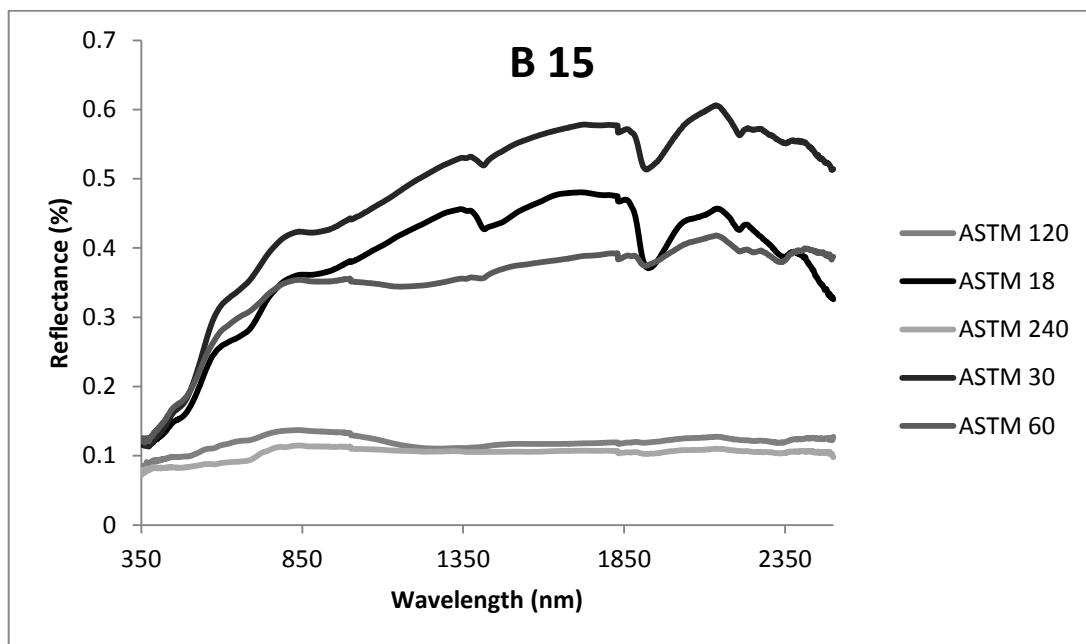

Spectral curve of beach sand (B 14) with texture variation

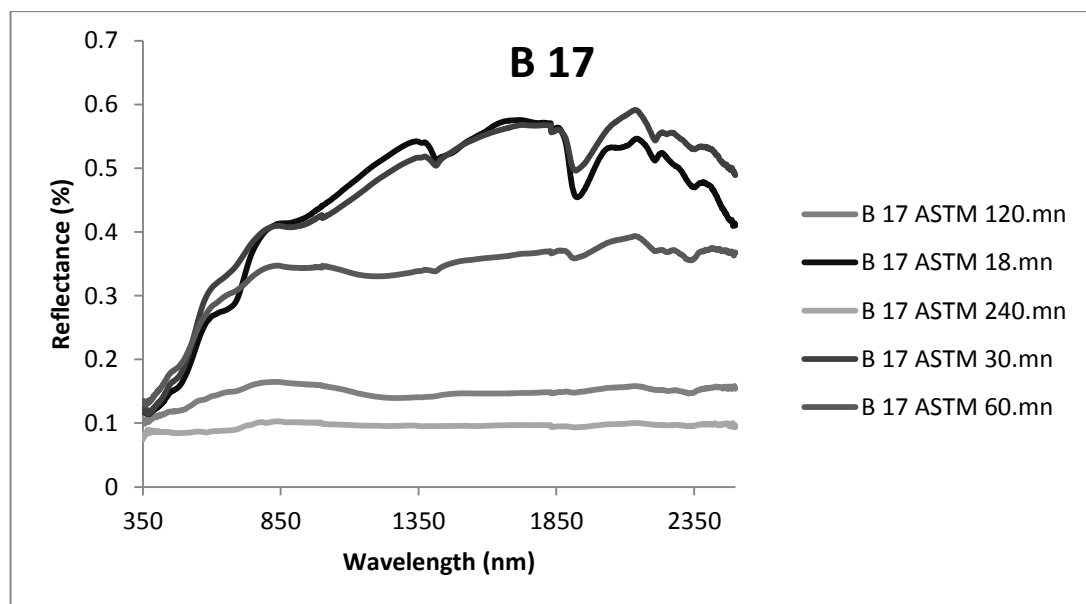

Relationship between grain size and Spectral parameters of sample B 11

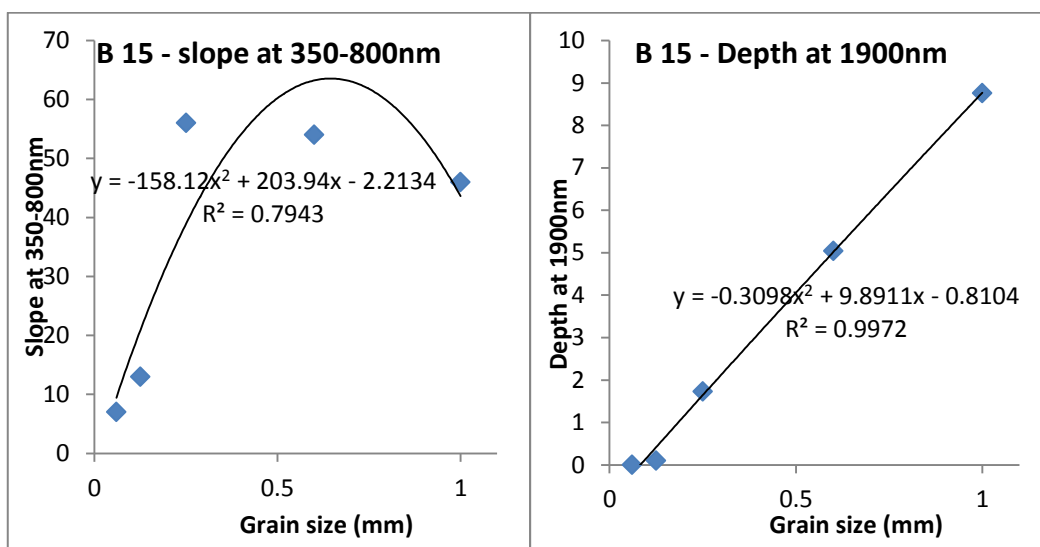

Relationship between grain size and Spectral parameters of sample B 14

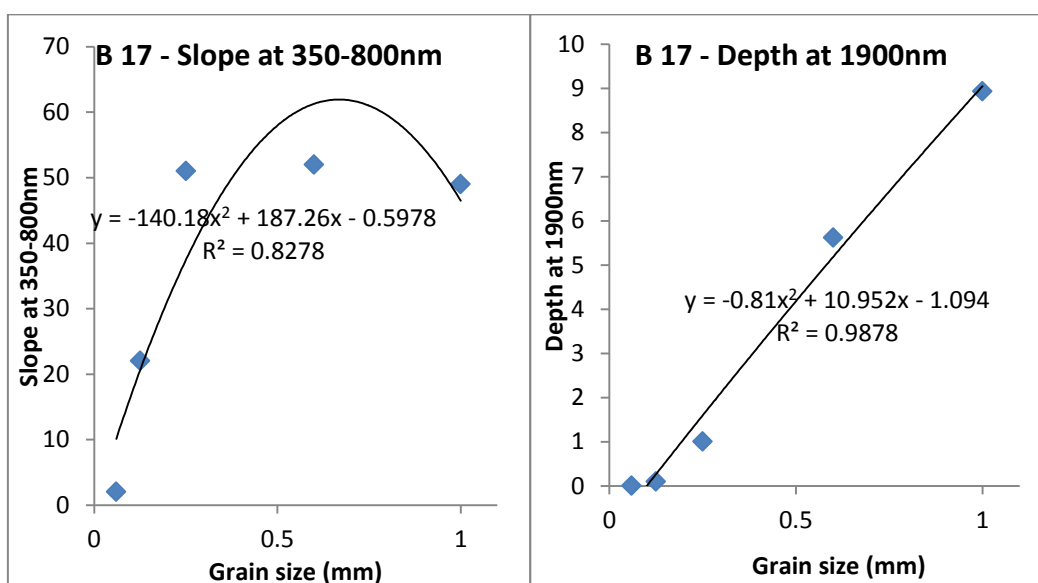

Spectral curve of beach sand (B 15) with texture variation

Spectral curve of beach sand (B 17) with texture variation

Relationship between grain size and Spectral parameters of sample B 15

Relationship between grain size and Spectral parameters of sample B 17
