

APPENDIX 2

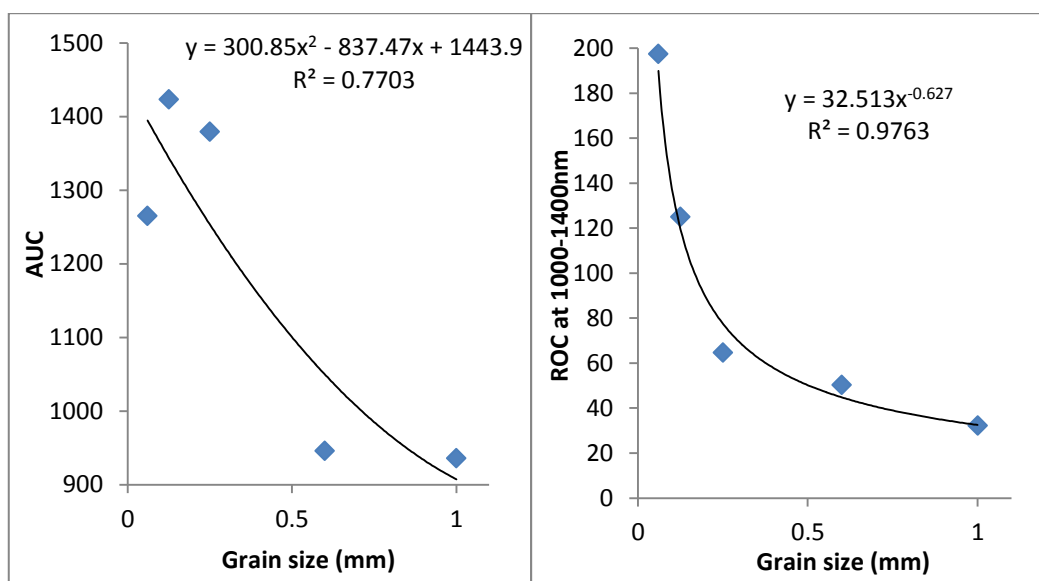

Spectral curve of river sand (Sample no.3) with texture variation

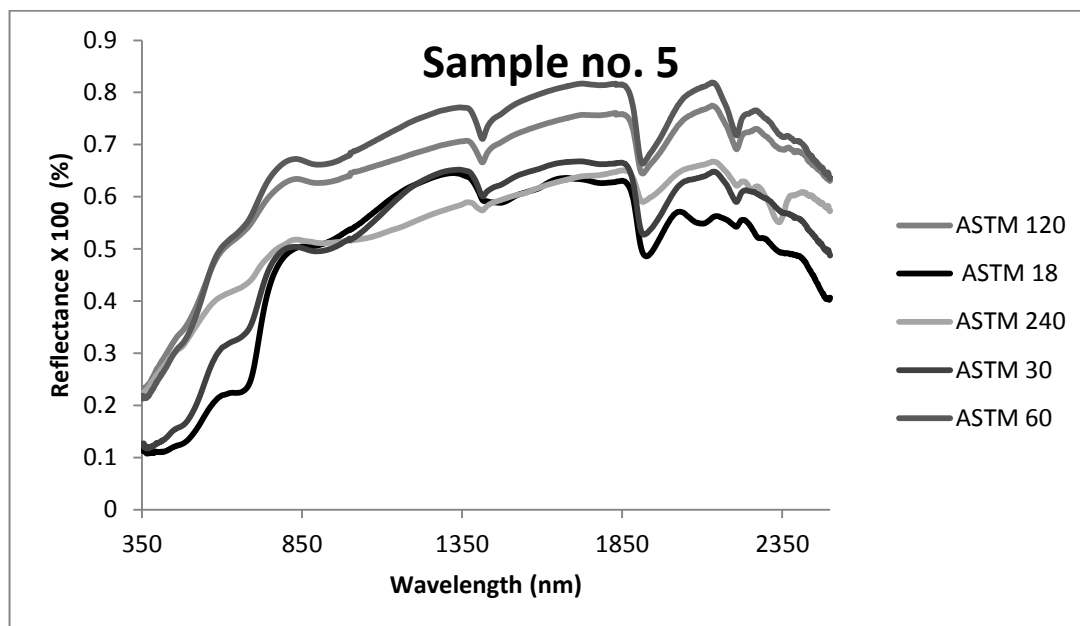

Spectral curve of river sand (Sample no.4) with texture variation

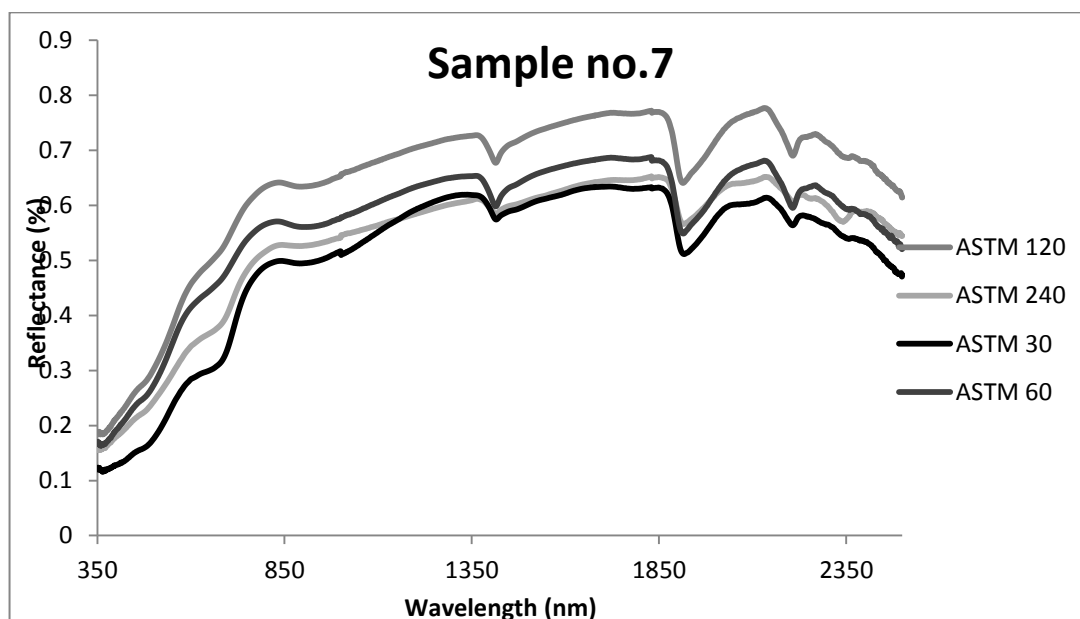

Relationship between grain size and Spectral parameters of sample no.3

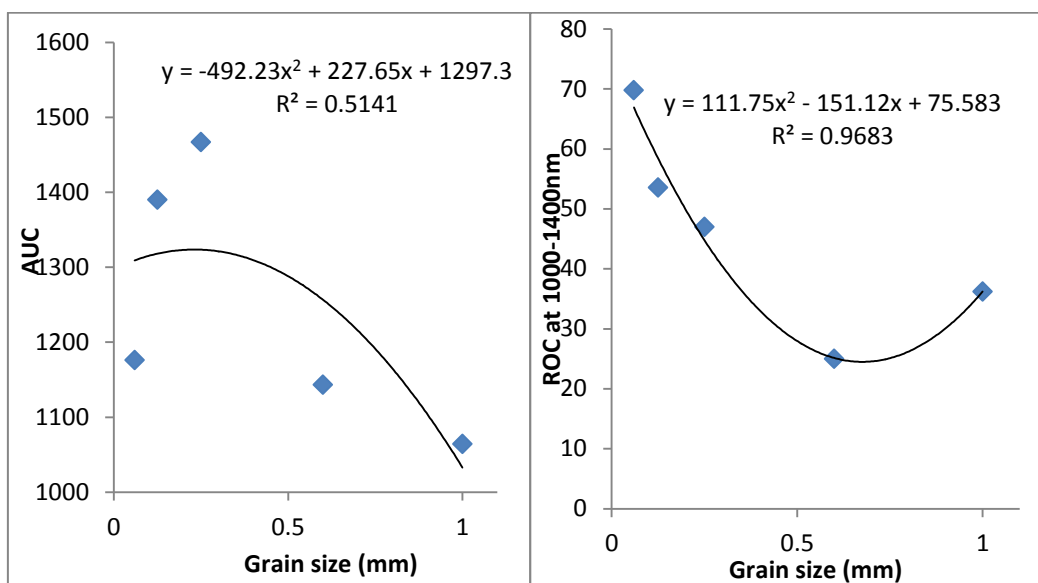

Relationship between grain size and Spectral parameters of sample no.4

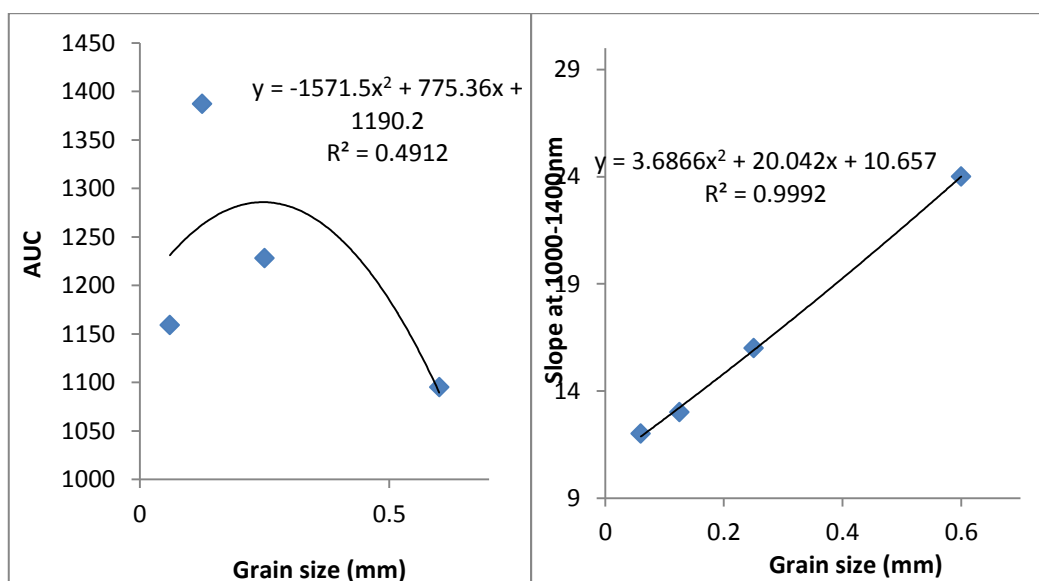

Spectral curve of river sand (Sample no.5) with texture variation

Spectral curve of river sand (Sample no.7) with texture variation

Relationship between grain size and Spectral parameters of sample no.5

Relationship between grain size and Spectral parameters of sample no.7
