

APPENDIX 6**Spectral curve of brown soil (K 20) with water content variation****Spectral curve of brown soil (N 3 a) with water content variation**

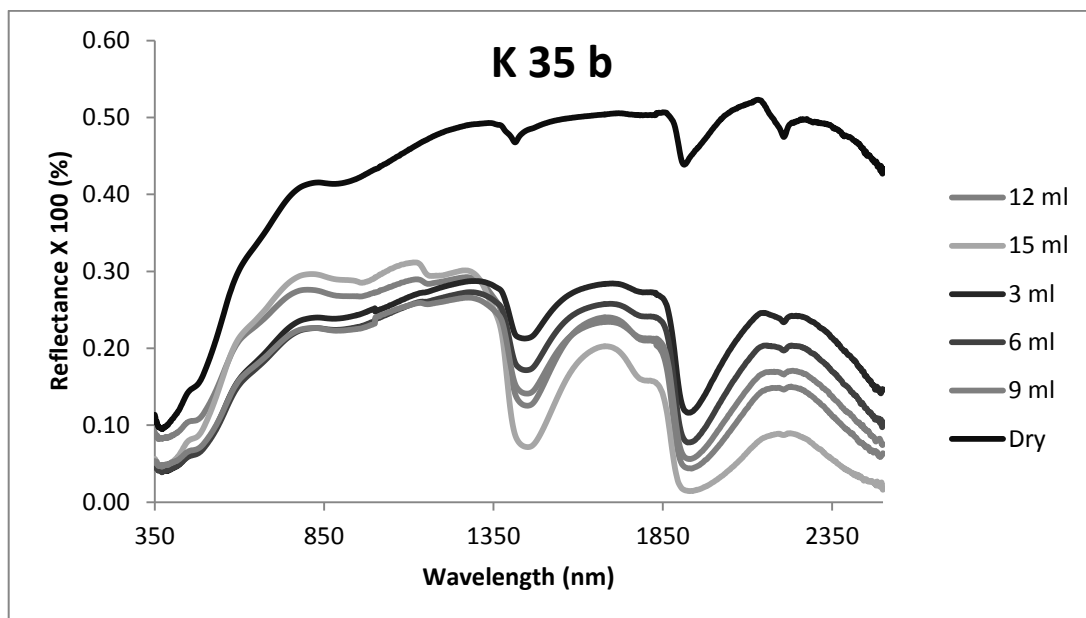

Relationship between Water content and Spectral parameters of sample K 20

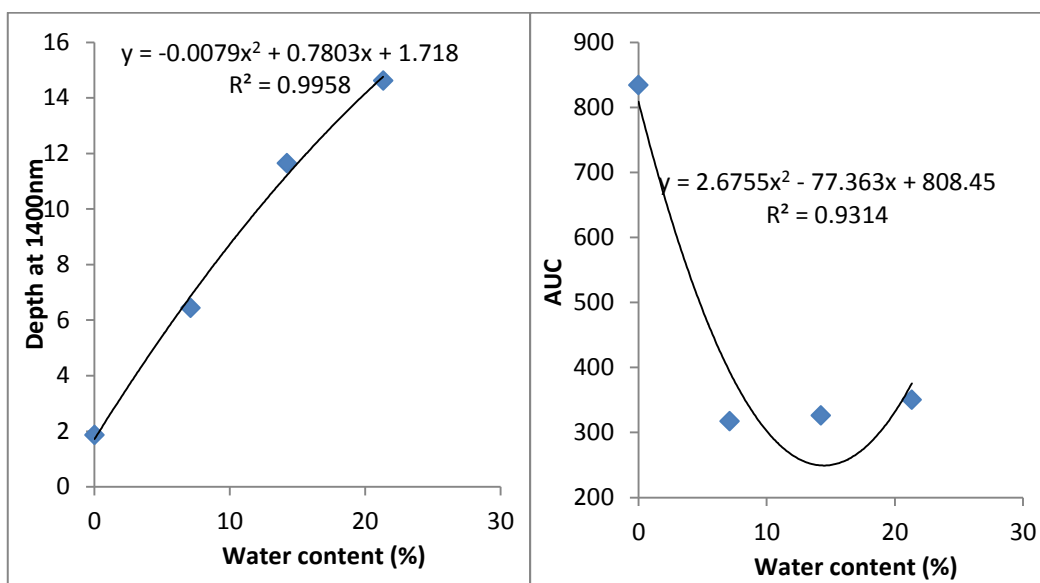

Relationship between Water content and Spectral parameters of sample N 3 a

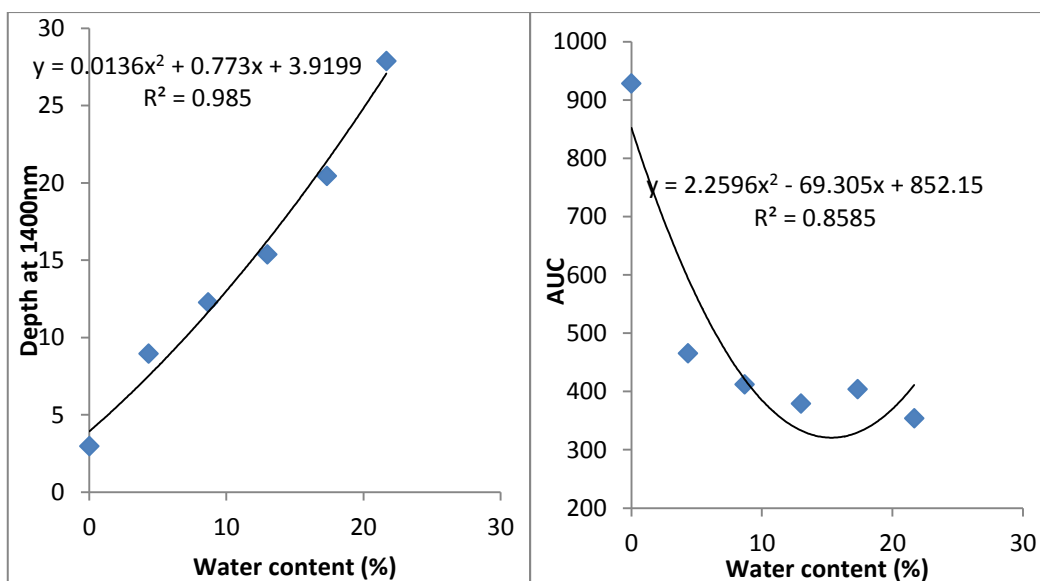

Spectral curve of brown soil (K 34 b) with water content variation

Spectral curve of brown soil (K 35 b) with water content variation

Relationship between Water content and Spectral parameters of sample K 34 b

Relationship between Water content and Spectral parameters of sample K 35 b
